1. An asterisk (\*) indicates that enrolment was below 25 in either year. Percent changes in faculties/colleges/schools containing fewer than 25 students can show abnormally large differences, therefore these changes are not reported.

2. Enrolment in the integrated program is shown in Music for years 3 and 4 and in Education for year 5.

3. Beginning in 2017, the Rady Faculty of Health Sciences has an option for admission directly from high school.

4. The College of Dentistry changed its name to the Dr. Gerald Niznick College of Dentistry in 2018.

5. Decrease in enrolment due to a change in curriculum.

6. Includes William Norrie Centre, Distance and Northern programs.

7. The University 1 program was introduced in 1998-99. Most "new" students, with limited or no university experience, have registered under this program.

8. Graduate Studies includes pre-master's, master's, doctoral, occasional and diploma students. Graduate totals include only those students taking credit courses in Summer Term.
