**Notes:**

- Undergraduate Student Credit Hours (UGSCH) are the hours of weight associated with a course indicating the relative weight of the course in the program of studies. There is often a correlation between lecture class hours and hours of credit; for example, a full course carrying six (6) hours of credit may entail three (3) hours of lectures per week, both terms. This report includes:
  - all distance education credit hours, including Independent Study, on-line courses, and group-based study;
  - all courses taught off-campus with stipend from other than faculty, college, or school resources;
  - all courses taught through remote-learning.
 This report excludes:
  - credit hours declared as "Challenge for Credit";
  - 6000-level courses associated with graduate programs.
- Credit hour totals reflect combined Fall Term and Winter Term activity, as at November 1 and March 1 respectively. Because Winter Terms 2017 and 2021 began two weeks later than usual, an adjusted date of March 15 was used. Due to rounding, some totals may not match the sum of the individual department, or faculty/college/school, figures.
- Due to the COVID-19 pandemic and resulting changes to program/course delivery, Fall Term 2020 and Winter Term 2021 may not be comparable to previous years.
- Select courses previously associated with the Department of Biosystems Engineering have been reassigned to the Department of Engineering. Comparisons to previous reports should be made with caution.
- Effective July 1, 2017, the Department of Food Science and the Department of Human Nutritional Sciences merged into the Department of Food and Human Nutritional Sciences.
- The Department of English, Film, and Theatre changed its name to the Department of English, Theatre, Film & Media in 2018. Previously reported as Icelandic Studies.
- The Department of Sociology changed its name to the Department of Sociology and Criminology in 2018.
- The Faculty of Engineering changed its name to the Price Faculty of Engineering in 2020.
- The Faculty of Health Sciences changed its name to the Rady Faculty of Health Sciences in 2016.
- The College of Dentistry changed its name to the Dr. Gerald Niznick College of Dentistry in 2018.
- Fall Term 2020 credit hours for the Dr. Gerald Niznick College of Dentistry include credit hours of students completing courses that were suspended during Winter Term 2020 due to the COVID-19 pandemic.
- The College of Medicine changed its name to the Max Rady College of Medicine in 2016.
- Includes credit hours from the accelerated program run during the summer term.
- Beginning in Fall Term 2019, Pharmacy began transitioning from a BSc Pharmacy to a PharmD.
- Science Interdisciplinary new in 2019.
