- Credit hour totals reflect combined Fall Term and Winter Term activity, as at November 1 and March 1 respectively. Due to rounding, some totals may not match the sum of the individual department, or faculty/college/school, figures.
- Distance Education credit hours include Independent Study (formerly correspondence), on-line courses, Campus Manitoba courses, and group-based study.
- Effective Fall Term 2014, the Department of Human Nutritional Sciences moved from the Faculty of Human Ecology to the Faculty of Agricultural and Food Sciences. Comparisons with previous years should be made with caution.
- Effective July 1, 2015, the Faculty of Human Ecology's courses and departments joined other academic units within the university. Family Social Sciences is now reported under the College of Medicine, within Community Health Sciences.
- Effective November 2014, the Faculties of Dentistry, Medicine, Nursing, and Pharmacy became colleges in the Faculty of Health Sciences. The College of Rehabilitation Sciences (formerly, the School of Medical Rehabilitation) and the School of Dental Hygiene also became part of the new faculty.
