1. Includes all undergraduate courses numbered 0200-5999. Does not include Distance Education courses.
 2. Due to the COVID-19 pandemic and resulting changes to program/course delivery, Fall Term 2020 and Winter Term 2021 may not be comparable to previous years.
 3. Winter Term reports are based on data extracted as at March 1. Because Winter Term 2021 began two weeks later than usual, an adjusted date of March 15 was used for that term.
 4. The Colleges/Schools of Dr. Gerald Niznick College of Dentistry, Rehabilitation Sciences, and Dental Hygiene determine their workload by numbers of students instead of by credit hours. They are included in the "Taught To" calculations because their students can take credit hours in other faculties/colleges/schools.
 5. The Faculty of Engineering changed its name to the Price Faculty of Engineering in 2020.
 6. Credit hours for the Max Rady College of Medicine do not reflect Undergraduate Medical Education teaching.
 7. University 1 (U1) is included in the "Taught To" category as students in this program take credit hours from other faculties/colleges/schools.
 8. Due to rounding, some totals may not match the sum of the individual faculty/college/school, figures.
