1. Due to the COVID-19 pandemic and resulting changes to program/course delivery, Fall Term 2020 may not be comparable to previous years.

2. Students are counted in one of three categories - Standard, Distance, or Combined. Standard delivery refers to traditional classroom instruction and includes Remote Learning course delivery, first introduced in Summer Term 2020. Distance delivery includes Independent Study, on-line courses, and group-based study. Remote Learning delivery differs from Distance delivery in that it is synchronous learning (i.e. real-time classes delivered online), and was in place primarily for courses that would have otherwise been taught on-campus. Students taking a combination of Standard and Distance delivery are included in the Combined category.

3. Excludes B.Sc. Medicine, B.Sc. Dentistry and pre-master's students.

4. The Faculty of Engineering changed its name to the Price Faculty of Engineering in 2020.

5. Pharmacy is transitioning from a B.Sc. Pharmacy to a PharmD program, beginning in Fall Term 2019.

6. Due to rounding, individual percentage totals may not sum to 100.
