Notes:

1. Graduate figures include students continuing in a course or thesis over more than one term. This table excludes graduate diploma students and students in St. Boniface graduate programs.
2. Year in program is based on the length of time from the program start date, with three terms being a year. Year in program has been adjusted for parenting or exceptional leaves.
3. Students in Individual Interdisciplinary Studies (IIS) are shown under the faculty of their advisor.
4. As a result of the ongoing COVID-19 pandemic, comparisons to previous years should be made with caution as figures may not be comparable.
5. New includes any graduate students starting in the Winter, Summer or Fall Term in 2021.
6. Beginning in Fall Term 2020, within the Department of Economics, new Ph.D. and Master's students will be admitted to either the Economics & Econometrics stream or the Economics & Society stream.
7. Includes all students in the Joint Master's Program shared by the University of Manitoba and the University of Winnipeg.
8. The Master of Supply Chain Management and Logistics new in Fall Term 2021.
9. The Faculty of Engineering changed its name to the Price Faculty of Engineering in 2020.
10. Students on an Exceptional or Parenting Leave are not required to register while on leave and are therefore not included in the Fall Term headcounts.
They have been added as part-time students in this report only.
