1. As a result of the ongoing COVID-19 pandemic, comparisons to previous years should be made with caution as figures may not be comparable.

2. Students are counted in one of three categories - Standard, Distance, or Combined. Standard delivery refers to traditional classroom instruction and includes Remote Learning course delivery, first introduced in Summer Term 2020. Distance delivery includes Independent Study, on-line courses, and group-based study. Students taking a combination of Standard and Distance delivery are included in the Combined category.

3. Excludes B.Sc. Medicine, B.Sc. Dentistry and pre-master's students.

4. The Faculty of Engineering changed its name to the Price Faculty of Engineering in 2020.

5. Enrolment has decreased over last year, as Pharmacy is transitioning from a B.Sc. Pharmacy to a PharmD, beginning in Fall Term 2019.

6. Due to rounding, individual percentage totals may not sum to 100.
