1. As a result of the ongoing COVID-19 pandemic, comparisons to previous years should be made with caution as figures may not be comparable.

2. Students are counted in one of three categories - Standard, Distance, or Combined. Standard delivery refers to traditional classroom instruction and includes Remote Learning course delivery, first introduced in Summer Term 2020.

Distance delivery includes Independent Study, on-line courses, and group-based study. Students taking a combination of Standard and Distance delivery are included in the Combined category.

3. Excludes B.Sc. Medicine, B.Sc. Dentistry and pre-master's students.

4. Winter Term reports are based on data extracted as at March 1. Because Winter Term 2022 started three weeks later than usual, an adjusted date of March 21 was used for that term.

5. The Faculty of Engineering changed its name to the Price Faculty of Engineering in 2020.

6. Enrolment has decreased over last year, as Pharmacy is transitioning from a B.Sc. Pharmacy to a PharmD, beginning in Fall Term 2019.

7. Due to rounding, individual percentage totals may not sum to 100.
