Notes:

1. Graduate figures include students continuing in a course or thesis over more than one term. This table excludes graduate diploma students and students in St. Boniface graduate programs.
2. Year in program is based on the length of time from the program start date, with three terms being a year. Year in program has been adjusted for parenting or exceptional leaves.
3. Effective 2003, newly admitted students in interdisciplinary graduate programs are reflected in the Faculty of their advisor.
4. As a result of the COVID-19 pandemic, comparisons to other years should be made with caution as figures may not be comparable.
5. New includes any graduate students starting in the Winter, Summer or Fall Term in 2022.
6. Includes all students in the Joint Master's Program shared by the University of Manitoba and the University of Winnipeg.
7. In 2022, Native Studies changed its name to Indigenous Studies.
8. The Master of Supply Chain Management and Logistics new in Fall Term 2021.
9. In 2022, Geological Sciences changed its name to Earth Science. Beginning in Fall Term 2022, newly admitted students are reflected under Earth Sciences.
10. Students on an Exceptional or Parenting Leave are not required to register while on leave and are therefore not included in the Fall Term headcounts.
They have been added as part-time students in this report only.
