1. The Manitoba Education and Training Department provides financial support toward the ACCESS programs. ACCESS programs enhance accessibility for priority groups consisting of northern Manitobans, Indigenous peoples, single parents, women, low-income earners, immigrants, refugees, visible minorities, and people with disabilities.
2. The reporting of degrees is based on a calendar year (February, May, and October graduands).
3. As a result of the COVID-19 pandemic, comparisons to other years should be made with caution, as figures may not be comparable.
4. Program is exclusively for students of Indigenous ancestry.
5. UMAP includes students in the Education Access Program (EAP).
6. In 2020, the Aboriginal Nursing Cohort Initiative (ANCI) was renamed the Pathway to Indigenous Nursing Education (PINE).
