NOTES:

- As a result of the COVID-19 pandemic, comparisons to other years should be made with caution as figures may not be comparable.
- The reporting of degrees is based on a calendar year (February, May, and October graduands).
- The number of enrolments per degree awarded does not include: Extended Education; University 1; St. Boniface; programs for Internationally Educated; B.Sc. (Dental Hygiene); B.Sc. (Dentistry); B.Sc. (Medicine); doctors taking Continuing Medical Education courses; Special, Visiting, or Auditing students; and certain concentrated programs (e.g. Social Work Concentrated 2-year Program).
- Beginning in Fall Term 2020, the Asper School of Business increased the number of students admitted each year.
- The Faculty of Engineering changed its name to the Price Faculty of Engineering in 2020.
- Beginning in 2017, the Rady Faculty of Health Sciences has an option for admission directly from high school. Comparisons across previous years should be made with caution.
- Effective in 2019, students are no longer admitted to the Family Social Sciences program within Max Rady College of Medicine.
- Includes Bachelor of Midwifery and University College of the North Nursing students. Beginning in Fall Term 2021, enrolment includes all University College of the North Cohort Nursing students as the University of Manitoba becomes the primary institution of record.
- Decrease in 2022 undergraduate degrees due to the effect of the transition from a B.Sc. Pharmacy to PharmD program, beginning in Fall Term 2019.
