1. Fees represent tuition paid by Canadian students. Source of Tuition Fee information is the U15 Tuition & Fees Survey, with the exception of Memorial which is from its Web site. Beginning with the 2019/20 academic year, the survey has replaced first year tuition with annualized tuition. Additional Continuing Fees detail has been acquired from each institution's Web site.
2. Graduate fees represent those for standard Arts and Science programs. Where a range is given fees vary by program.
3. Continuing fees have been calculated to reflect what a student would pay for an additional year of study in order to make fees comparable across institutions.
4. One calendar year is equal to three terms.
5. The Masters fee represented is the fee that non-Quebec Canadian students pay. All Canadians, regardless of province, pay the same fee for a Ph.D. program.
6. Masters and Ph.D. fees represent the fees that non-Nova Scotia Canadian students pay.
