Notes:

1. Graduate figures include students continuing in a course or thesis over more than one term.
2. As a result of the COVID-19 pandemic, comparisons to previous years should be made with caution as figures may not be comparable.
3. Winter Term reports are based on data extracted as at March 1. Because Winter Term 2022 started three weeks later than usual, an adjusted date of March 21 was used for that term.
4. An asterisk (*) indicates that enrolment was below 15 students in either year. Percent changes in faculties containing fewer than 15 students can show abnormally large differences, therefore these changes are not reported.
5. As at March 1 (Winter Term 2023), there were 93 Joint Master's Program students in the programs shared by the University of Manitoba and the University of Winnipeg (94 in Winter Term 2022).

Based on workload calculations, the following JMPs have been reported under the University of Manitoba:
