Notes:

- Staffing data were obtained from the VIP Human Resources Management Information System. Union/Compensation Category reflects the compensation categories that are used in the VIP system.
- As a result of the COVID-19 pandemic, year-over-year comparisons should be made with caution as figures may not be comparable.
- New in 2020-21, the method used for extracting staff records for this report has changed to include additional fields and employment records from the VIP Human Resources Management Information System, allowing for an enhanced selection criteria. This has resulted in the ability to exclude additional records deemed non-active.
- Includes staff paid from grant funds only. This table excludes the following staffing categories: Long-term Disability, Non-Employees, Visitors, Nil Salary, Out-of-Province, and Fellowships/Scholarships.
