- Notes:**
1. The COVID-19 pandemic had substantial impacts on the University of Manitoba in 2020, 2021, and 2022, with the impacts diminishing over the years that followed. Comparisons involving covid-affected years should be made with caution.
 2. Students are counted in one of three categories - Standard, Distance, or Combined. Standard delivery refers to traditional classroom instruction. Distance delivery includes Independent Study, on-line courses, and group-based study. Students taking a combination of Standard and Distance delivery are included in the Combined category.
 3. Excludes B.Sc. Medicine, B.Sc. Dentistry, and pre-master's students.
 4. Due to rounding, individual percentage totals may not sum to 100.
