1. Includes all undergraduate courses numbered 0200-5999. Does not include Distance Education courses.

2. Where students are enrolled in multiple programs, credit hours are reported under their primary program of study.

3. The Colleges/Schools of Dr. Gerald Niznick College of Dentistry, Rehabilitation Sciences, and Dental Hygiene determine their workload by numbers of students instead of by credit hours.

They are included in the "Taught To" calculations because their students can take credit hours in other faculties/colleges/schools.

4. Credit hours for the Max Rady College of Medicine do not reflect Undergraduate Medical Education teaching.

5. University 1 (U1) is included in the "Taught To" category as students in this program take credit hours from other faculties/colleges/schools.

6. Due to rounding, some totals may not match the sum of the individual faculty/college/school, figures.
