

Professional Development Reflection Form

Immediately after participating in a specific professional development training event, the student is required to document their participation (i.e.; the student will create a report that provides specific information about the event as well as written reflection about how the knowledge gained through the event will enable them to improve and increase their capabilities, career development etc). The paper should be minimum one page in length inserted in the space on page 2.

Once completed, please submit electronically to your advisor and the Graduate Program Coordinator (Jody.Bohonos@umanitoba.ca) to be counted. Progress is monitored by the Graduate Program Coordinator and is a requirement for graduation.
