

DOING YOUR TAXES... THE HOMEWORK THAT PAYS OFF!

Did you know?

- When you turn 19, you may be eligible to get GST/HST credit payments of up to **\$443** a year
- You may be eligible to claim moving expenses if you moved at least 40km closer to your new work or school
- If you paid more than \$100 in tuition fees, you may be able to claim them on your tax return

We use the information from your tax return to calculate your benefit and credit payments, and any related provincial payments. So you need to do your taxes every year, even if you don't have income to report.
