

DEPARTMENT OF COMMUNITY HEALTH SCIENCES

FULL TIME FACULTY

Full Time Faculty Members			
Faculty Member	UM Appointment	Contacts	Research Interests
Ahmed Abou-Setta , MD (Cairo), PhD (Amsterdam)	Assistant Professor	ahmed.abou-setta@umanitoba.ca	Knowledge Synthesis (systematic reviews/ meta-analyses/ scoping reviews/ rapid reviews), comparative effectiveness research, sexual and reproductive health; maternal, neonatal and child health
Tracie Afifi , BSc, MSc, PhD (Manitoba)	Professor	Tracie.Afifi@umanitoba.ca	Child maltreatment; mental health; resilience; prevention and intervention
John E Ataguba , B.Sc. Hons (Nigeria), MPH, PhD (Cape Town)	Associate Professor	John.Ataguba@umanitoba.ca	Economics of ageing; health economics methodology; health equity; health financing; health inequality; social determinants of health
Marcia Anderson , BSc (Winnipeg), MD (Manitoba), MPH (Johns)	Assistant Professor, Executive Director Indigenous	Marcia.Anderson@umanitoba.ca	Indigenous health care quality, Indigenous medical education

Hopkins), FRCPC,	Academic Affairs Ongomiizwin and Vice-Dean Indigenous Health, Rady Faculty of Health Sciences.		
Lisa Avery , BSc (McGill), MD (Manitoba), MIH (University of Copenhagen), FRCSC	Assistant Professor	lisa.avery@umanitoba.ca	Sexual and reproductive health; maternal, neonatal and child health; health inequities and social determinants of health; global health; quality of health care
Robert Balshaw , PhD, MSc, BSc(hons)	Assistant Professor	Robert.Balshaw@umanitoba.ca	Biostatistics; planning, design & analysis of clinical trials; genomic biomarker discovery, refinement and validation; causal inference; analysis of observational & longitudinal data; survival analysis
Marissa Becker , MD, FRCPC, MPH	Associate Professor	Marissa.Becker@umanitoba.ca	Infectious diseases; HIV/AIDS; global public health; vulnerable populations and program science.
James F. Blanchard , BSc (Med), MD (Manitoba),	Professor Director, Institute for Global Public Health (IGPH)	James_blanchard@umanitoba.ca	Global health; HIV/AIDS prevention; epidemiology; reproductive, maternal and child health; health systems research.

MPH, PhD (Johns Hopkins)			
Ties Boerma , PhD, (University of Amsterdam) MD (Netherlands)	Professor	Ties.Boerma@umanitoba.ca	HIV/AIDS, and maternal and child health in epidemiological, demographic
Marni Brownell , BA (Hons.) Winnipeg, MA (Toronto), PhD (Manitoba)	Professor	marni_brownell@cpe.umanitoba.ca	Child health and development; population health; administrative data; health equity; social and structural determinants of health.
Douglas Brownridge , BA (Brandon), MA, PhD (Manitoba)	Professor	Douglas.Brownridge@umanitoba.ca	Epidemiology of family violence
Sharon Bruce , BN, MA, PhD (Manitoba)	Professor	Sharon.Bruce@umanitoba.ca	Medical anthropology; diabetes prevention; health promotion; Indigenous peoples health; health of women in marginalizing contexts
Robert M. Chase , BSc (Toronto), MD (McMaster), MSc	Assistant Professor	Robert.Chase@umanitoba.ca	Occupational health – musculoskeletal injuries; global health; refugee and immigrant health; qualitative research methods; addiction and mental health

(McMaster), FRCPC			
Sandor Demeter , BSc, MD (U of S), MHSc (U of T), MSc (U of A), MHP (IIT) , FRCPC (Pub Health U of T, Nuc Med U of A)	Associate Professor	Sandor.Demeter@umanitoba.ca	HTA and health policy with a particular interest in diagnostic imaging, screening and policy advocacy. The role of the media in reporting and analysing health policy.
L. Diffey , BHEc (Manitoba), MSc (Manitoba), PhD (Manitoba)	Lecture	Linda.Diffey@umanitoba.ca	Indigenous health; anti-racist pedagogy; Indigenous research methodologies; Indigenous resurgence
Malcolm Doupe , BPEd, MSc, PhD (Manitoba)	Associate Professor Direct, Manitoba Training Program for Health Services Research	malcolm_doupe@cpe.umanitoba.ca	Health services research; aging and the use of health care services; assessing the quality of health care provision in nursing homes
S. Michelle Driedger , BA (Hon) (Winnipeg), MA	Professor	Michelle.Driedger@umanitoba.ca	Metis health; decolonizing methods; public health and health risk communication; vaccine-hesitancy; doctor-

(Carleton), PhD (McMaster)			patient conversations; qualitative methods; knowledge transfer in situations characterized by uncertainty; critical social science
Karen Duncan , BSHEc (Saskatchewan), MS, PhD (Ohio State)	Associate Professor	Karen.Duncan@umanitoba.ca	Family financial and economic security; family/friend caregiving; consumer insolvency; valuation of time; work-family interrelationships
Joan Durrant , BA, MA, PhD (Windsor)	Professor	Joan.Durrant@umanitoba.ca	Corporal punishment; violence against children; child rights-based violence prevention; universal parenting education; legal and policy reform
Brenda Elias , MA, PhD (Manitoba)	Professor	Brenda.Elias@umanitoba.ca	Indigenous health; Social Determinants of Health, Public Health, Survey Research Methods, Mix Methods (qualitative/quantitative)
Lawrence J. Elliott , MD, MSc (Manitoba), CCFP (Dalhousie) FRCPC	Associate Professor	Lawrence.Elliott@umanitoba.ca	Applied Public Health Epidemiology, Population and Public Health (PHPM) Education and Practice.

Faran Emmanuel , MBBS (Punjab), MSc (Aga Khan University)	Associate Professor	faran.emmanuel@umanitoba.ca	HIV surveillance; key populations; mapping and size estimations; HIV/AIDS prevention in developing countries, Street children, Universal Health coverage, Monitoring and Evaluation systems
Evelyn L. Forget , BA (Hons.) (Glendon College), MA, PhD (Toronto)	Professor	Evelyn.Forget@umanitoba.ca	Cost effectiveness analysis; healthcare financing; health economics; health effects of public policy; and basic income.
Shiva Halli , BSc, MSc (India), PhD (Western Ontario)	Professor	Shiva.Halli@umanitoba.ca	International health especially migration as a risk factor in the spread of HIV/STDs infection; immigrants' health in Canada; violence against women; international demography, reproductive health.
Andrew Hatala , PhD (University of Saskatchewan)	Associate Professor	Andrew.Hatala@umanitoba.ca	Medical anthropology; youth resilience and well-being; Indigenous health; transcultural psychiatry; culture and spirituality; qualitative health research; community-based research
Depeng Jiang ,	Associate Professor	Depeng.jiang@umanitoba.ca	Person-centered statistical approach in health science; clinical trial design and

MSc, PhD (Southeast University)			intervention evaluation; latent variable analysis and structure equation model (SEM); longitudinal data analysis and multilevel model; Statistical models for behavioral data and computational methods.
Alan Katz , BSc, MB, ChB (Capetown), MSc, CCFP (Manitoba), Director, Manitoba Centre for Health Policy	Professor	akatz@cpe.umanitoba.ca	Primary care service delivery patterns; knowledge transfer in primary care and quality of care; experience with qualitative, quantitative and administrative database research designs.
Christine Kelly , BA (Dalhousie), MA (Manitoba), PhD (Carleton)	Associate Professor	Christine.Kelly@umanitoba.ca	Home care; long-term care; Canadian health and social policy; disability studies; gender; aging
Joel D. Kettner , MD, MSc Epidemiology (LSHTM, London), FRCSC (General surgery), FRCPC (Public health and preventive medicine)	Associate Professor	joel.kettner@umanitoba.ca	Critical thinking in public health problem-solving; use of frameworks in public health decision-making; applied epidemiology, critical appraisal of medical literature and health policies; anti-racist and anti-discriminatory medical education; incorporating CanMEDS

			intrinsic roles, determinants of health, health equity and social justice in undergraduate and postgraduate medical education and training.
Sara Kreindler , BA (Hons) (Manitoba), DPhil (Oxford)	Assistant Professor	Sara.Kreindler@umanitoba.ca	Arts-based research and knowledge translation; social identity; patient access and flow (population-capacity-process model); health system change (stipulation-stimulation model)
Josée G. Lavoie , BSc, MA (McGill), PhD (London); Director, Ongomiizwin Research	Professor	Josee.Lavoie@umanitoba.ca	Contracting in health; equity; Indigenous health; primary health care; community-based research; health care policy; international comparisons; financing; case study methodology
Lisa Lix , BSHEc (Saskatchewan), MSc, PhD (Manitoba)	Professor	Lisa.Lix@umanitoba.ca	Methods for data quality assessment; chronic disease surveillance methods; risk prediction models; analysis of longitudinal/repeated measures; patient-reported outcome (PROMs) measures; health services research methodology; robust

			statistics; machine-learning methods
Robert Lorway , BA (Hons.) (St. Mary's), MA (Dalhousie), PhD (Toronto)	Associate Professor	Robert.Lorway@umanitoba.ca	Medical anthropology; gender and sexuality studies; cultural aspects of HIV and AIDS; critical public health theory; community-based research
Salaheddin Mahmud , MD (Libya), MSc (London-UK), PhD (Manitoba), FRCPC Professor and Director, Vaccine and Drug Evaluation Centre (VDEC)	Professor	Salah.Mahmud@umanitoba.ca	Cancer epidemiology; pharmacoepidemiology; pharmaco-vigilance including vaccine effectiveness and safety; public health surveillance; measurement errors in epidemiologic studies.
Deborah McPhail , BA (Manitoba), MA (Toronto), PhD (York)	Associate Professor	Deborah.McPhail@umanitoba.ca	Health inequity; critical obesity studies; qualitative and feminist research methods; social theories of health and illness; gender studies / gender and health; critical race theory; colonialism in health and illness; class structures and health inequalities

Dessaiegn Melesse, _____			
Verena Menec, BA, MA, PhD (Manitoba)	Professor	Verena.Menec@umanitoba.ca	Health and aging; health services research; survey research; health psychology
Javier Mignone, MA (Alberta), PhD (Manitoba)	Professor	Javier.Mignone@umanitoba.ca	Social determinants of health; Indigenous health; intercultural health; mental health; program evaluation; construct measurement
Stephen Moses, MD (Toronto), MPH (Johns Hopkins) Stephen Moses, MD (Toronto), MPH (Johns Hopkins)	Professor	Stephen.Moses@umanitoba.ca	Biological and behavioral risk factors for STI/HIV transmission in developing countries; targeted interventions to reduce the transmission of STIs and HIV infection; health worker training in STI management in resource-poor settings
Nathan C. Nickel, MPH (University of California, Los Angeles), PhD (University of North Carolina)	Associate Professor	Nathan.Nickel@umanitoba.ca	Areas of specialty maternal and child health; mental health and addictions; health equity; program/policy evaluation; causal inference; health services; structural and social determinants

<p>Caroline Piotrowski, BA (Waterloo), MA (Waterloo), PhD (Penn State), MPH (San Diego State)</p>	<p>Associate Professor</p>	<p>Caroline.Piotrowski@umanitoba.ca</p>	<p>Trauma and resilience in children and youth; Sibling relationships; Posttraumatic growth; Trauma-informed care; Violence and injury prevention; effects of exposure to violence</p>
<p>Pierre Plourde, MD (Ottawa), FRCPC</p>	<p>Professor</p>	<p>pplourde@wrha.mb.ca</p>	<p>Sexually transmitted and blood borne infections; tuberculosis; parasitology; travel and tropical medicine.</p>
<p>B.M. Ramesh, BA, MA, PhD (India)</p>	<p>Assistant Professor</p>	<p>Ramesh.BanadakoppaManjappa@umanitoba.ca</p>	<p>Maternal, newborn and child health, HIV/AIDS, Global public health, program science</p>
<p>Kerstin Roger, PhD (Toronto)</p>	<p>Professor</p>	<p>Kerstin.Roger@umanitoba.ca</p>	<p>Health and aging; caregiving and family/community interface with healthcare; intercultural determinants of health and wellness; death and dying; qualitative/mixed methods.</p>
<p>Razvan Romanescu, HBSoc (Toronto), M.Math. (Waterloo), Ph.D. (Guelph)</p>	<p>Assistant Professor</p>	<p>Razvan.Romanescu@umanitoba.ca</p>	<p>Statistical genetics; genetic epidemiology; methods to analyze -omics data; likelihood-based models and</p>

			optimization; infectious disease models; biostatistics.
Souradet Shaw , BA, MSc, PhD (Manitoba)	Assistant Professor	Sourdet.Shaw@umanitoba.ca	Sexually transmitted and bloodborne infections; global public health; social epidemiology; public health surveillance; vulnerable populations
Shahin Shooshtari , BSc (Iran), MSPH (Iran), PhD (Manitoba)	Professor	Shahin.Shooshtari@umanitoba.ca	Health and wellbeing in intellectual and developmental disabilities; longitudinal research; aging; community health assessment
Kathryn Sibley , PhD	Associate Professor	Kathryn.Sibley@umanitoba.ca	Knowledge translation, implementation science, aging, rehabilitation, exercise
Audrey Swift , BPE, MSc, PhD (Manitoba)	Senior Instructor	Audrey.Swift@umanitoba.ca	Perceived control as it relates to health, well-being, and survival; successful aging
Tamara Taillieu , BA, BHEcol, MSc, PhD Candidate (Manitoba)	Instructor II	Tamara.Taillieu@umanitoba.ca	Maternal and child health; child maltreatment; intimate partner violence; mental health and addictions; first responder health and well-being.
Navdeep Tangri , MD PhD	Associate Professor	ntangri@sogh.mb.ca	Clinical Risk Prediction, Chronic Kidney Disease, Epidemiology, Dialysis
Mahmoud Torabi ,	Professor	Mahmoud.Torabi@umanitoba.ca	Biostatistics; cluster detection; longitudinal data

BSc, MSc (National University of Iran), PhD (Carleton)			analysis; small area estimation; spatial statistics; survival data analysis
Marcelo L. Urquia , MSc, PhD (University of Toronto)	Assistant Professor	Marcelo.Urquia@umanitoba.ca	Maternal and child health; perinatal epidemiology; immigration and ethnic diversity; domestic violence; health equity; gender equity; health services research; sociocultural determinant of health and wellbeing; applied population

DEPARTMENT OF COMMUNITY HEALTH SCIENCES

PART TIME FACULTY

Part Time Faculty			
Faculty Member	UM Appointment	Contact	Research Interest
Zeb Aurangzeb , BSc and MSc (Statistics) (Pakistan), MA and PhD (Health Economics) (Guelph)	Assistant Professor	zaurangzeb@cancercare.mb.ca	Healthcare utilization and costs of cancer care, cost-effectiveness and budget impact analyses, real world evaluation of cancer drugs, decision analytic modeling, health services research
Meghan Azad , PhD	Assistant Professor	Meghan.Azad@umanitoba.ca	Developmental origins of health and disease; infant nutrition; breastfeeding; breast milk composition; child health; allergic disease; asthma; obesity; birth cohorts
Parinita Bhattacharjee , MA (TISS, Mumbai, India), BA	Assistant Professor	bhattacharjee.parinita@gmail.com	Global health, HIV prevention, Key Populations, Gender based violence, Gender equality, New prevention products, community mobilization, participatory approaches
Clara Bohm , BScH (Queen's), MD (McMaster), MPH (Johns Hopkins)	Associate Professor	cbohm@sogh.mb.ca	characterizing effect exercise and physical activity on functional status in kidney disease and dialysis; improving person-centred care and quality of care in hemodialysis; clinical trials; mixed methods; patient engagement

Eric Bohm , BEng (McMaster), MD (McMaster), MSc (Dalhousie), FRCSC	Professor	ebohm@cjrg.ca	Outcome of hip and knee replacement surgery; joint replacement registries; waitlist management; delivery of surgical care; clinical trials; RSA (radiographic stereometrics analysis) appropriateness of care, quality improvement / quality assurance
Ingrid Botting , BA (Winnipeg), PhD (Memorial University)	Assistant Professor	ibotting@wrha.mb.ca	Health services research – whole system, integrated knowledge translation, health system governance, qualitative approaches
Songul Bozat-Emre , B.Sc. (Turkey), M.Sc. (Turkey), Ph.D. (Manitoba)	Assistant Professor	songul.bozat-emre@gov.mb.ca	Pharmacoepidemiology, vaccine effectiveness and safety, severe outcomes associated with COVID-19, unintended impacts of COVID-19, harms associated with substance use, and population-based administrative data
Les Carrothers , BA (Brandon), MPA, PhD (Manitoba)	Assistant Professor	lcarrothers@shaw.ca	The evolution of federal and provincial health services policy; provincial regulation of health services professions; the role of managerialism in health services administration; the application of realist political economy to health services policy research
Heejune Chang , BA (McGill), MD (Manitoba), CCFP, MPH (Manitoba), FRCPC.	Assistant Professor	hchang@wrha.mb.ca	Public health practice, tuberculosis, environmental health, urban public health
Catherine Charette , PhD (Manitoba)	Assistant Professor	busyfam@shaw.ca	Program evaluation, qualitative methods, mental health, housing and homelessness, built environments

Maryanne Crockett , BA (Queen's), MD (Queen's), FRCPC (Dalhousie (Peds), University of Toronto (Peds ID)), FAAP, MPH (Johns Hopkins), DTM&H (Gorgas)	Associate Professor	Maryanne.Crockett@umanitoba.ca	Pediatric infectious diseases, global health, maternal, newborn and child health (MNCH), immigrant health
Piotr Czaykowski , BSc, MD (UBC), MSc (Toronto) FRCPC (Internal Medicine, Medical Oncology)	Associate Professor	pczaykowski@cancercare.mb.ca	Cancer outcomes analysis; survival and prognostic factors analysis; clinical trials
Kathleen Decker , BSc (Waterloo), MHA (Dalhousie), PhD (Manitoba)	Associate Professor	Kathleen.Decker@umanitoba.ca	Cancer epidemiology; health services research; cancer screening
Bunmi Fatoye , MD (Nigeria), CCFP, FRCPC (Manitoba)	Assistant Professor	Bfatoye2@wrha.mb.ca	Public health practice; control of communicable diseases, Immunizations
Keith Fowke , PhD, BSc (Hons.) (Manitoba)	Professor	fowkekr@umanitoba.ca	Basic immunology and genetic epidemiology of susceptibility and resistance to HIV infection
Randy Fransoo , BSc, MSc, PhD (Manitoba)	Assistant Professor	randy_fransoo@cpe.umanitoba.ca	Health services research; social determinants of health; knowledge translation; child health and development; cardiovascular epidemiology
Allan Garland , BS, MA, MD	Professor	agarland@hsc.mb.ca	Critical care epidemiology; influence of health care structures on health care outcomes; long-term outcomes after critical illness.

Chris Green , BA (Winnipeg), MHSc (Toronto), PhD (Manitoba)	Assistant Professor	greenc@umanitoba.ca	Public health research and surveillance; GIS and spatial analysis
Luiz Guidolin	Assistant Professor	Luiz.Guidolin@umanitoba.ca	
Ana Hanlon-Dearman , MD, MSc, FRCPC, FAAP, CBSM	Associate Professor	ahdearman@hsc.mb.ca	Pediatrics and child health, developmental pediatrics (FASD, autism, developmental delay, intellectual disability), child development and behavior, population health (Pediatrics), social determinants of health
Margaret Haworth- Brockman , BSc (Manitoba), MSc (Manitoba) (Manitoba), MPH Senior Program Manager, National Collaborating Centre for Infectious Diseases	Assistant Professor	Margaret.Haworth- Brockman@umanitoba.ca	Sex- and gender-analyses, intersectionality, women's health issues and related policies, perinatal care, knowledge translation, public health, infectious diseases
Tim Hilderman , BSc (Med), MD (Manitoba), FRCPC	Assistant Professor	Tim.Hilderman@gov.mb.ca	Public Health, vaccines, vaccine safety, vaccine hesitancy, drinking water security
Michael Isaac , BSc (Med), MD (Manitoba), CCFP, MPH, FRCPC	Lecturer	Michael.Isaac@gov.mb.ca	Public health; remote and rural health; healthy built environment; health equity; vaccination
Shajy Isac , M.Sc (Stat.), MPS (Population Studies), Ph.D. (Population Studies)	Assistant Professor	shajy.isac@ihat.in	Public health research and surveillance, with focus on HIV/AIDS and other infectious diseases, maternal and child health, nutrition and family Planning; Large scale

			program monitoring; Research methods; Community-based large-scale survey designs.
Maya Jeyaraman , MD (India) PhD (Manitoba)	Assistant Professor	Maya.Jeyarman@umanitoba.ca	Knowledge Synthesis, Systematic reviews and meta-analysis
Esyllt W. Jones , MA (McGill), MA (Manitoba), PhD (Manitoba)	Professor	Esyllt.Jones@umanitoba.ca	History of infectious disease in the modern world; history of health and healing professions; history of public health and medicare in Canada; history of health inequality and social movements
Joseph M. Kaufert , BA (Minnesota), MA, PhD (Northwestern)	Professor Emeritus	Joseph.Kaufert@umanitoba.ca	Medical anthropology and medical sociology; Aboriginal health; disability; qualitative research methods; research ethics; critical theory and health communication
Yoav Keynan , MD, PhD	Assistant Professor	yoav.keynan@umanitoba.ca	Infectious diseases knowledge translation, HIV/AIDS, host response to viral infection; syndemics; infections in PWID
Shamshad Khan , BA (Hons.) (Aligarh), M.A., M.Phil. (Jawaharlal Nehru university, New Delhi), PhD (Simon Fraser University, Canada)	Assistant Professor	Shamshad.Khan@umanitoba.ca	Health communication; medical pluralism; community-based research; health equity; critical public health theory; social history of disease and medicine in South Asia; colonialism, postcolonialism and subaltern studies in health; HIV/AIDS prevention in developing countries; Qualitative methods; archival research.
Denise Koh , BSc (Saskatchewan), MD (Saskatchewan), CCFP	Assistant Professor	denise.koh@gov.mb.ca	Public Health. Occupational Health. Physician and medical trainee

(Ottawa—national body), MPH (Manitoba), FRCPC (Ottawa—national body), ACBOM (Alberta)			wellness. Harassment, Intimidation, and Moral injury in medicine.
Allen Kraut , MD (Manitoba), FRCPC	Associate Professor	Allen.Kraut@umanitoba.ca	Occupational health; hazardous waste toxicology
Linda Larcombe , MA (Manitoba), PhD (Manitoba)	Associate Professor	llarcombe@exchange.hsc.mb.ca	Anthropology; First Nations; infectious diseases; immunogenetics; social determinants of health; ancient DNA
Shuangbo Liu , MD, FRCPC	Assistant Professor	sliu@sbgh.mb.ca	Acute coronary syndrome outcomes, cardiovascular diseases, women's heart health, clinical epidemiology, and health services.
Keith Lowe , BA Hons. (Saskatchewan), MSc (London School of Economics), PhD (Cambridge)	Assistant Professor	kwlowe@mts.net Keith.Kowe@umanitoba.ca	National health policy and political analysis; mental health services provision and policies; education research, data and policy; social services, voluntary sector and labour market policies.
Sharon Macdonald , MD	Associate Professor	Sharon.Macdonald@umanitoba.ca	Public Health and health care administration.
Ruth Ann Marrie , BSc, MD, MSc, PhD	Professor	rmarrie@hsc.mb.ca	Multiple sclerosis; clinical epidemiology; comorbidity, pediatric MS; health services research; patient-reported outcomes
Lyle McKinnon , PhD (Manitoba)	Associate Professor	Lyle.Mckinnon@umanitoba.ca	HIV prevention. Mucosal immunology and immune-regulation; epidemiology of HIV in key populations in Kenya, South Africa, Uganda and Thailand, STIs, microbiome and vaccine responsiveness. Combining biomedical and epidemiological analysis of HIV/STI risk.

<p>Colleen J. Metge, BSc (Pharm) (Alberta), PhD (Maryland)</p>	<p>Associate Professor</p>	<p>c_metge@umanitoba.ca</p>	<p>Application of Mixed Methods (qualitative/quantitative) to Health Systems/Services Research: Specifically, advanced expertise in: Evaluation and Intervention Research (systematic reviews, implementation science, program evaluation, feasibility & intervention studies [effectiveness & outcomes], evidence-based practice approaches); Methods development & modelling; Questionnaire development; Population Health intervention research; Pharmacoepidemiology; Health Economics (cost-effectiveness analysis, pharmaco-economic); Chronic disease and Pharmaco-epidemiology; Populations: Seniors/older adults, aging</p>
<p>Adrienne Morrow, BSc (MB), MSc (Laval), MD (MB), CCFP, FRCPC</p>	<p>Assistant Professor</p>	<p>Adrienne.Morrow@umanitoba.ca</p>	<p>Aboriginal Health; Immunizations; Social Determinants of Health; Medical Education</p>
<p>Vasanthakumar Namasivayam, MPH (Johns Hopkins), MPP (Princeton), MD (India) DrPH (Candidate)</p>	<p>Assistant Professor</p>	<p>drvasanthias@gmail.com</p>	<p>Program Science implementation, Health Systems – Human Resources for Health (HRH), Supply Chain (SC), Digital, data for Decision making, Maternal Health, Newborn, Child Health, Sexual and Reproductive Health, Community and facility based surveys, surveillance, research</p>
<p>Pamela H. Orr, MSc (Manitoba), MD (Toronto), FRCPC</p>	<p>Professor</p>	<p>porr@hsc.mb.ca</p>	<p>Infectious Diseases (with special interest in Tuberculosis); Circumpolar Health; Health care in northern and remote regions; determinants of health in northern peoples.</p>

Christine Peschken , MD, (Sask), MSc (McGill), FRCPC	Professor	christine.peschken@umanitoba.ca	Systemic lupus erythematosus, health disparities, outcomes research, rheumatic disease in Indigenous peoples
Michael Pickles , PhD (Cambridge University)	Assistant Professor	m.pickles@imperial.ac.uk	Global public health, mathematical modelling, HIV/AIDS prevention
Marshall Pitz , BSc, BSc (Med), MD (Manitoba), MHS (Johns Hopkins), FRCPC	Associate Professor	marshall.pitz@umanitoba.ca	Cancer; outcomes research; epidemiology; clinical trials; translational research
Brian Postl , MD	Professor	Postl@umanitoba.ca	Health administration; child health; Aboriginal health
Clare Ramsey , BSc, MD (Manitoba), MSc (Harvard)	Assistant Professor	Cramsey@exchange.hsc.mb.ca	Environmental and Genetic Epidemiology of Obstructive Lung Disease, primarily focused on asthma
Joss Reimer , BA MD MPH FRCPC	Assistant Professor	jreimer4@wrha.mb.ca	Public health practices, sexual and reproductive health, sexually transmitted and bloodborne infections, international health, medical education; drug policy; infectious diseases.
Sushena Reza-Paul , MBBS (India), MPH, DrPH (University of Alabama at Birmingham, US)	Assistant Professor	sushenar@gmail.com	HIV/AIDS, Reproductive Health, Community based research, Global public health, Key populations, Biomedical interventions
Ceri Richards , MD (Manitoba), MSc (Oxford)	Assistant Professor	Ceri.richards@umanitoba.ca	Medical statistics; clinical epidemiology: rheumatology; osteoporosis; rheumatoid arthritis
Lisa Richards , BSc (McGill), MNRM, MD, MSc, FRCPC	Assistant Professor	lrichards@wrha.mb.ca	Environmental Health, Health Promotion, Healthy Built Environments

Karen Robinson , MD, CCFP, MPH, FRCPC	Assistant Professor	Karen.Robinson@gov.mb.ca	Public health
Kristine Robinson , BA, BScN (University of Saskatchewan), Diploma Midwifery (Southampton,UK), MSc Community Health Science-Rady FHS, University of Manitoba	Assistant Professor	Kristine.Robinson@umanitoba.ca	Maternal and Child Health, Adolescent Pregnancy, Health Care Regulation, Health Service Implementation and Evaluation (Maternity Care), Risk Management, Interprofessional education and practice
Leslie L. Roos , AB (Stanford), PhD (MIT)	Professor	Leslie Roos@cpe.umanitoba.ca	Big data, cohort studies, methods, high- impact research, broader determinants of health
Noralou P. Roos , AB (Stanford), PhD (MIT)	Professor Emerita	Noralou.Roos@umanitoba.ca	Focusing on the GetYourBenefits! project reflecting research on the broader determinants of health
Brent Roussin , MD, JD, MPH (Manitoba), CCFP, FRCPC	Assistant Professor	Brent.Roussin@canada.ca	Public health and preventive medicine; public health law and policy; health law, Aboriginal health
Michael Routledge , BSc (Med), MD (Manitoba), CCFP, MSc (Manitoba), FRCPC	Assistant Professor	Michael.Routledge@gov.mb.ca	Public health; environmental health; chronic disease and injury prevention
Kelly Russell , BSc (Alberta), MSc (Alberta), PhD (Calgary) Robert Wallace Cameron Chair in Evidence Based Medicine	Associate Professor	krussell@chrim.ca	Sport-related injury; traumatic brain injuries; childhood injury; epidemiology
Julianne Sanguins ,	Assistant Professor	Julianne.Sanguins@umanitoba.ca	Research Scientist, MCHP Research Program Manager, Manitoba Metis Federation. Metis

RN BScN (Toronto); MSN (Portland); PhD (Nursing) (Calgary)			health across the lifespan; population health; rural/northern/remote health practice; community-based participatory research.
Deepa Sankaran , MSc (India), MPH (Waterloo), PhD (Manitoba)	Assistant Professor	Deepa.Sankaran@umanitoba.ca	Maternal, neonatal and child health and nutrition, public health nutrition, implementation science, global health
Verena Schneider-Lindner , MD (Germany), MSc, PhD (McGill)	Professor	Verena.schneider-lindner@medma.uni-heidelberg.de	Pharmacoepidemiology; Epidemiological studies in population health databases and electronic medical records; health services research, Epidemiology in the ICU
Robert J Schroth , DMD, MSc, PhD (Manitoba)	Professor and Clinician Scientist, University of Manitoba Research Scientist, Children's Hospital Research Institute of Manitoba	Robert.Schroth@umanitoba.ca	Research interests: early childhood caries, early childhood oral health, vitamin D, oral health, Indigenous child health, program evaluation, dental epidemiology
Leigh Anne Shafer , PhD	Assistant Professor	LeighAnne.Shafer@umanitoba.ca	Mathematical modelling of infectious diseases, HIV/AIDS, HPV, Biostatistics, Multilevel modelling, Bootsrap
Elinor Simons , MD, PhD, MSc	Assistant Professor	Elinor.Simons@umanitoba.ca	Pediatric allergy (food allergy, asthma and atopic dermatitis); Clinical epidemiology; cohort studies; administrative data.

Davinder Singh , MD (Manitoba), MSc (Manitoba), FRCPC (Manitoba)	Assistant Professor	Davinder.Singh@umanitoba.ca	Public health; communicable disease control; public health law and policy; health law;
Harminder Singh , MBBS (New Delhi), MD (New Delhi), MPH (Manitoba), FRCPC (Manitoba)	Associate Professor	Harminder.Singh@umanitoba.ca	Gastrointestinal cancers epidemiology and outcomes; gastrointestinal endoscopy outcomes; health services research; clinical epidemiology
Joyce Slater , RD, B.S.H.Ec. (Saskatchewan), MSc (Manitoba), PhD (Manitoba)	Professor	Joyce.Slater@umanitoba.ca	Public health nutrition; food literacy; food security; nutrition epidemiology; community-based research methods.
Tara Stewart , BA (Hon.), M.A., Ph.D. (Manitoba)	Assistant Professor	Tara.Stewart@umanitoba.ca . tstewart3@wrha.mb.ca	Evaluation science, intervention research, social determinants of health, and knowledge translation.
Tammy Stuart Chester , PhD	Assistant Professor	Tammy.Stuart@umanitoba.ca	
Shayne Taback , BSc, MD, FRCPC (Manitoba)	Associate Professor	Tabacksp@umanitoba.ca	Pediatrics; clinical epidemiology
Navdeep Tangri , MD, PhD(C) (Tufts University), FRCPC	Associate Professor	Ntangri@sogh.mb.ca	Clinical epidemiology; risk prediction; cohort studies; pharmacoepidemiology; systematic reviews and meta analysis; chronic kidney disease; kidney failure
Milton Tenenbein , MD (Manitoba), FRCPC	Professor	mtenenbein@hsc.mb.ca	Pediatrics; Aboriginal
Donna Turner , BSc (Victoria), MSc (Calgary), PhD (Alberta)	Associate Professor	Dturner9@cancercare.mb.ca	Cancer epidemiology; cancer control; cancer-related health services research.

Jennifer Volk , Ph.D., C.Psych.	Assistant Professor	Jennifer.Volk@umanitoba.ca	Mental health promotion and mental illness; prevention, population level intervention and research, community mental health, housing and homelessness, clinical and community psychology, and implementation science
Reynold Washington Dipl NB, MD, MBBS (India).	Associate Professor	Reynoldgw@gmail.com	Infectious Diseases (HIV/AIDS, TB), MNCH, Health Services Training systems, Public Health Surveillance: India
Joy Yichun Wei , PhD (Manitoba)	Assistant Professor	Joy.Wei@gov.mb.ca	Public Health surveillance; Epidemiology of infectious diseases and outbreaks; Immunizations and vaccine effectiveness.
Brock Wright , BSc, MD, FRCPC, MBA (Manitoba)	Assistant Professor	bwright@wrha.mb.ca	Health care administration
Terry Wuerz , MD, FRCPC, MSc (Epi)	Assistant Professor	Terence.Wuerz@umanitoba.ca	Infectious diseases, antimicrobial stewardship, tuberculosis, healthcare quality improvement
Xibiao Ye , MB, MSc, PhD (China)	Assistant Professor	Xibiao.Ye@umanitoba.ca	Environmental epidemiology, health disparities, systematic review, and health services research
Bo Nancy Yu , MD (Harbin), MSc (Beijing), PhD (Manitoba)	Assistant Professor	yubn@umanitoba.ca	Applied epidemiology; obesity epidemiology; population health survey; tobacco morbidity; mental health and psychiatric epidemiology; behavioral risk factors for chronic diseases
Farzad Zaerpour , Ph.D.	Assistant Professor	f.zaerpour@uwinnipeg.ca	Health services research; Healthcare operations research; Optimization; Mathematical modelling; Simulation
Ryan Zarychanski ,	Associate Professor	rzarychanski@cancercare.mb.ca	Randomized controlled trials, platform trials, Bayesian statistics, systematic

BSc, BSc (Med.), MD, MSc (Ottawa), FRCPC			reviews/meta-analysis, hematology; critical care; transfusion medicine
