2. Front Page
3. Program Page
4. Formatting Content
5. Texts, Translations, Program Notes

The formatting information in this guide has been adapted from Drake University's "Style Guide for Instrumental Recital Programs" and "Style Guide for Vocal programs."

Additional formatting information taken from Kate Turabian's "A manual for writers of research papers, theses, and dissertations: Chicago style for students and researchers." (2008)

1 GENERAL GUIDELINES

TEMPLATE

The program template was created using Word and is editable on laptop or desktop computers. The template is set up to create a folded program on letter-sized paper (2 pages per sheet, double-sided).

- The total number of pages for your program will always need to be a multiple of 4.
- The template currently has pages for text, translations, and program notes. If you do not need these pages, delete them before you submit your program for printing.

PRINTING

Final programs should be emailed to music@umanitoba.ca for printing one week before your recital. Please send both .pdf and .docx files.

The office will provide 30 printed copies of your prepared program. You will receive an email confirmation once your program has been printed.

FONT, FORMATTING, LAYOUT

- Placeholder text shows some instances of bold and italicized fonts, it is recommended that the final text retains this format.
- Images should not be inserted into your program
- All placeholder text should be replaced with information specific to your recital. E.G. Remember to replace “Date and Location” with your recital date and location.
- Myriad Pro, Calibri or Arial fonts work best with the current setup. Some adjustments to spacing may need to be made if you alter the font type.
- The page size should not be changed.

2 FRONT PAGE

The front cover contains all of the basic information about the recital:

Formatting tips:

- If you are adding a list of several musicians, you may need to delete some of the blank lines and/or reduce the font size. For readability, maintain similar spacing between the main elements of the front page.
- The text “*Given in partial fulfillment of the requirements for the Bachelor of Music (Performance) degree, Bachelor of Jazz Studies degree, Post-Baccalaureate Diploma, Master of Music degree*” should remain as-is, with the exception of the degree type. **Only include your degree, delete other degrees as necessary.**

3 PROGRAM PAGE

The program page has been set up using two textboxes, one for titles, one for composer information.

Take note of the following:

- The title of each piece is left-justified.
- The composer's name and dates are right-justified.
- If you need to indent a line (example, if you are playing a movement from a larger work) use the spacebar to indent. Do not use the Tab button.
- For information on how to format titles, please see section 4

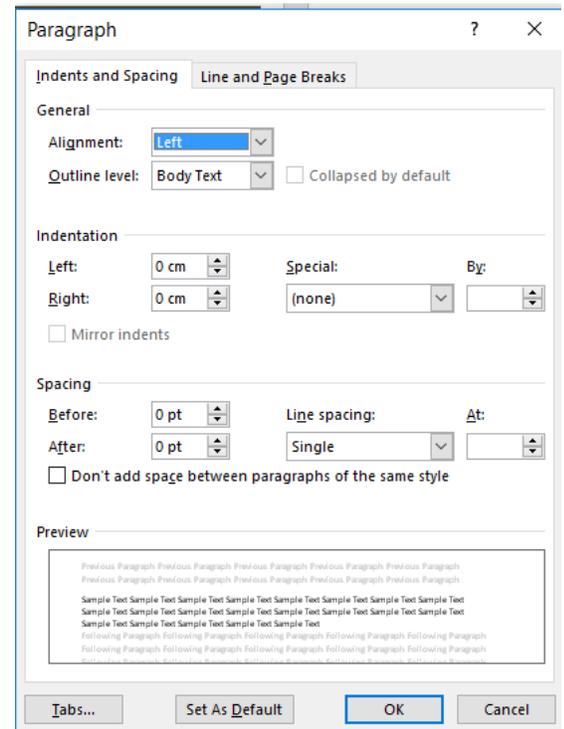

All pieces should fit on one page. The template is currently formatted to have a 12-pt font size on the program page, if you cannot list all of your pieces on the same page, adjust the font size as necessary.

- The text boxes for composer information and titles are separate, remember to adjust the font for each box separately.

3.1 TROUBLESHOOTING

If you are having trouble with formatting, check the following on each textbox:

- Spacing (Right click in the textbox → click “paragraph”)
 - “Before” and “After” should both be set to 0.
 - Ensure that the line spacing for each textbox is set to “single”
