

Summary of Executive Committee Meeting Minutes of September 14, 2009-09-15

- UMRA has been advised that Smarckpark is renovating the building where we meet and we will no longer have meeting and storage rooms at 135 Innovation Drive.
- Lois has drafted an Operation Manual and asks that Executive members and committee chairs submit information for inclusion. Deadline: November meeting.
- UMRA will pursue the matter of the recent demolition of the Alumni House with a letter to be sent to the President expressing concern about the lack of communication with the members of the University community prior to the decision for its demolition.
- A request for UMRA member discounts at the bookstore was rejected.
- Current retirees should not expect to see any improvements in health and dental coverage.
- The trend in UMRA memberships seems to be leaning toward a decrease in Active Members and an increase in inactive members. The Membership Committee will monitor this trend.
