

GEORGE BRUCE

GEORGE BRUCE With heavy hearts, we must announce the sudden passing of George Bruce on Saturday, December 14, 2013. George was born on February 7, 1936 in Camper, Manitoba, and grew up to work and raise a family in Winnipeg. Mourning his loss are his children, Diana King (Mike), Linda Bruce, Glenn Bruce, Heather Lanthier (James), six grandchildren, six great-grandchildren, his sisters Emily Morrissette, Dorothy Dunsmore, many extended family members, and all the many friends he made along the way. He worked in the plumbing industry for most of his life and was proud of a successful career working at the University of Manitoba. George enjoyed his retirement years living in a few small towns in Manitoba but his love for the Pembina Valley landed him in La Riviere for his best and last few years. He would often call his family in Winnipeg to talk about how wonderful everything was growing in the garden and how nice it was to be living in "paradise". Per George's request, a funeral service will not be held and his ashes will be buried on a sunny day in La Riviere.
