

ELSIE HOLLAND (BORKOWKSI)

**ELSIE HOLLAND
(BORKOWKSI)**

We the children of Elsie Holland (Borkowksi) are sad to announce Mom's passing on May 9, 2019 at the Grace Hospital, aged 93.

She was raised on the farm at Mink Creek, Manitoba, one of eight siblings, four girls, four boys. She became a rural school teacher Grades 1 to 12. Then later met and married our dad Fred, and became a great homemaker, cook and baker. There were always fresh baked goodies for us after school. Mom taught us to be kind, courteous and hardworking as she was. Mom, never complained. She loved Bingo, dancing, her beautiful flower gardens and trips to the U.S.A and Europe with Dad, friends and relatives. She loved watching the Blue Bombers and Jets on TV and when working for University of Manitoba, Food Services. She was thrilled when she got to serve the Bombers when they practiced there. At her last seniors home on Hudson Street, she loved watching the birds, bunnies and even deer that made their way to her patio.

We will miss you Mom. Love your children, Ronald (Leigh), Shirley (Edward), Suzanne (Gary) and Francine (Cam) plus seven grandchildren, thirteen great-grandchildren and two great-great-grandchildren.

As per her wishes, there will be no funeral. Her children will celebrate her life at a later date.
