

## **ALEC H. SEHON**

ALEC H. SEHON PhD, DSc, FRSC Distinguished Professor Emeritus Dr. Alec Sehon of Winnipeg, Manitoba, aged 93, died on February 3, 2018 with his beloved wife, Irene, by his side. He will be greatly missed by Irene, his children - Anthony (Ann) and Caroline - and his granddaughter, Caitlin. Dr. Sehon was a kind and strong-willed gentleman who was utterly devoted to his family and profession. Dr. Sehon was a successful medical researcher of international repute who contributed significantly to the advances of allergy and immunology in Canada and abroad. We would like to offer our grateful thanks to Lorelei, Janet, Nancy, Tim, Dr. Bereznay, Mr. Wollmann, CEO, and all the staff of West Park Manor. Dr. Sehon has donated his body as a contribution to the University of Manitoba for the advancement of medicine through anatomical study.
