

DR. NEWMAN STEPHENS

We are sad to say that Dr. Newman Stephens - "Steve" - passed away on the night of October 29, 2019 in Winnipeg, Manitoba. He died peacefully, at the age of 93, in the presence of his family. He is survived by his sons, Alex and Danny; grandchildren, Carlo, Sacha and Jaya; sisters, Helen, Enid and Iona, and their surviving children, Louis, Ian, John, Robert, Terry and Janet. He is also remembered by his daughter-in-law Eliane; brother and sister-in-law, Bruno and Marta; nephews and nieces in Brazil; and his godsons, Mark and Cesar. He is also remembered by his - and our - dear friends here in Winnipeg and across the world, and his many former students and research colleagues with whom he rejoiced in the sharing of knowledge as a path to lasting friendship.

Having lived such a long life, Steve is predeceased by many deeply cherished friends and family, but none so beloved as Dr. Carla Concone Stephens, his partner in life who passed away in 2001, too soon before her time.

True to his wishes, Steve's remains will be cremated in a private ceremony, and we will bring together his friends and family to celebrate his life on November 9 at 2:00 p.m. at Thomson "In the Park" Funeral Home.

Further information will be provided about donations to a worthy cause.
