

ILLUMINATE SPEAKER SERIES

Purpose

The Illuminate Speaker Series provides presenters with the opportunity to inspire and incite collaboration and to engage with like-minded individuals in ways that can impact and enhance the health of others. Through this initiative, there will be:

- an exchange of information and ideas that advance and enhance knowledge
- the opportunity to engage in scholarly dialogue
- a venue to highlight and showcase creative and innovative work
- an opportunity to develop collaborations and partnerships
- Illuminate session presenters can use the phrase “College of Rehabilitation Sciences, University of Manitoba, Illuminate Series Invited Speaker” on their curriculum vitae

Process

To be considered a candidate for the Illuminate Speaker Series, applicants must:

- complete the following nomination/request form and forward to Liane.Allen@umanitoba.ca
- demonstrate their profile fit with the colleges' strategic plan:
http://umanitoba.ca/rehabsciences/media/CoRS-Strategic_Plan_v.9.pdf
- All applicants will be contacted after committee consideration
- once the application is accepted, prepare and present their 30 minute talk on a topic relevant to a wide variety of college constituents College of Rehabilitation Sciences

The College of Rehabilitation Sciences, located in Winnipeg Manitoba, is home to the accredited occupational therapy, physical therapy and respiratory therapy programs. The college also houses the research focused MSc Rehabilitation and Applied Health Sciences PhD programs. To learn more about or college and what we have to offer, please visit:
