

## College of Rehabilitation Science:

**Dr. Diana Sanchez-Ramirez**, PhD, MPH, PT

Assistant professor

[Diana.Sanchez-Ramirez@umanitoba.ca](mailto:Diana.Sanchez-Ramirez@umanitoba.ca)

Dr. Sanchez-Ramirez's research program aims to enhance quality of life and participation among people with respiratory diseases, and to advance in the field of respiratory care. Her professional portfolio includes diverse research experience in clinical research, epidemiology and medical education using mixed methods and quantitative approaches such as surveys, patient clinical evaluation, performance measures, medical records, and health data linkage from administrative databases.
