

Profile, Keywords & Collaboration

This site lets you edit your information that appears on the Research Experts Search. The public version of the Search (found at the bottom right of the UM homepage) will display only information that you have designated as accessible to the public. The internal version of the Search, available to all UM researchers through My Research Tools, will display all the information you have entered.

My Profile

This page will appear automatically on your initial visit to this application. Change your name to how you would like it to appear publicly and check the box to show that you have confirmed it. Fill in all other profile information. Be sure to click on "Save" at the bottom.
