

Research Participants Needed

What

RESOLVE is seeking service providers who have worked with survivors of intimate partner violence during the COVID-19 pandemic to participate in an interview.

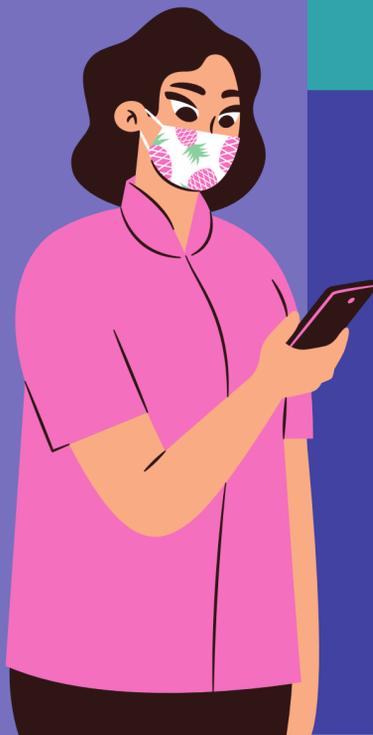

Criteria

- Adults (18 years or older)
- Resides in Manitoba, Canada
- Employed as a service provider during the pandemic
- Worked with survivors of intimate partner violence during the pandemic

Why

- We hope to understand how pandemics impact services for survivors of intimate partner violence and the programs that serve them
- Information gathered from participants will be used to develop policy and practice recommendations for government and frontline organizations including emergency and second stage shelters, resource centres, crisis lines, and IPV programs

How

The interview process will take 60 to 90 minutes to complete and will be done by teleconference or videoconference at a convenient time.
