Admission requirements

UNIVERSITY 1

High school requirements: To be eligible for admission, you must have graduated from Grade 12 at a recognized high school in Canada. You will need to have completed the following:

- Manitoba high school graduation (5 full credits at the Grade 12 level in courses designated S, G, U, or C).
- A minimum average of 65% over the following:
  - A fourth academic Grade 12 course
  - A third academic Grade 12 course

Should students not meet the Regular Admission requirements, they will automatically be considered for Limited Admission. Limited Admission is open to Canadian citizens.

For high school prerequisites may be required to enter a program or to enroll in certain university courses. Minimum grades may be required. To learn more, visit https://umanitoba.ca/firstyear.
