

Faculty/Staff Absence – Attendance at U of M Campus (Self-Isolation)

DEFINITION OF CLOSE CONTACT: Close contacts are people who you have shared space with during your period of communicability (while symptomatic and for up to 48 hours before your symptoms began). Specifically, these are people who you were within two metres/six feet for a total of 10 minutes over a 24-hour period.

***Fully vaccinated staff** are those who have received both doses [any combination] of an approved two dose COVID-19 vaccine [AstraZeneca, Pfizer, Moderna], OR a single dose of an approved single dose COVID-19 vaccine [Janssen/Johnson & Johnson] with more than 14 days having passed since the second dose [or approved sole dose] was received.

****** includes individuals with approved medical or religious exemptions, individuals who received one dose of vaccine prior to January 24, 2022, have received one or two doses of a WHO approved COVID-19 vaccine outside of Canada not approved by Health Canada, have not had access to vaccination in the country they are from.
