DETAILS

The leadership team of the Mini U & Jr Bison Programs consists of the Director, Program Coordinators, Supervisors, Leaders and Coaches. Our team facilitates the coordination, supervision and execution of programs, leadership and supervision of participants as well as the administration and customer service of the units. Together we serve children & young athletes, parents/guardians, employees, community partners and collaborate with University of Manitoba employees.

Leaders and Coaches directly lead, support and create impactful experiences for our participants. In a variety of roles, Leaders/ Coaches prepare lesson plans and activities, lead participants between the ages of 4 to 18, support and care for participants, execute program activities, provide customer service to families and contribute to the administration of the unit. Leaders and Coaches work closely with Supervisors and the Coordinators and Director to ensure individuals we serve are set up for success. These positions actively lead children and youth in various settings, particularly where programs are occurring.

Supporting the needs of children and families includes both administrative tasks as well as a significant amount of in-person interactions. Specifically, Leaders and Coaches support: lesson plan and activity development; creating leadership opportunities for participants; engaging participants in program activities; leadership of participant behavior; participating in all program activities and lessons and sharing program information with families, children and staff.

Our team is responsible for creating positive experiences in an engaging, welcoming and safe environment. Leaders are selected for their understanding of what it means to lead as a part of a team. We are looking for honest, forward-thinking, competent and inspiring leaders who are able to perform at a high level in fast paced environments. We value continual development and select individuals who demonstrate the ability to positively contribute to the growth and improvement of our organization and the individuals on our team. Strong interpersonal, organizational, communication, problem solving and leadership skills are required.

Summer programming in 2022 will continue to provide important support for Covid-19 recovery efforts by providing necessary safe and meaningful childcare options for school aged children throughout July and August. Programming will offer children and youth the opportunity for safe re-engagement in social and physical activity. All operations will be considered to ensure a safe resumption of programming during the Covid-19 recovery. Details regarding these changes will be available as camp time draws nearer.

Job descriptions outlining detailed responsibilities are available at miniu.ca.
