EVENTS WITH FOOD

Student group events can order their food from either Conference & Catering Services or UMSU Catering Services.

If you would like to get food from another source, please complete a Catering Waiver (<https://umanitoba.ca/sites/default/files/2022-10/catering-waiver.pdf>) and submit to Conference & Catering Services. **PLEASE DO NOT ASSUME** that permission to accept the waiver will be granted. The University of Manitoba has an exclusive contract with University of Manitoba Dining Services to provide food services, and with Coke for beverage services.

Student groups organizing events are not required to use Conference & Catering for food but must fill out a waiver form.

Catering Waivers for non-UMSU student groups are to be arranged through Conference & Catering Services.

UMSU student groups get their Catering Waiver through UMSU unless the event has alcohol. If the event has alcohol please contact Conference & Catering Services regarding food requirements.

A Temporary Food Handler's Permit from the Province of Manitoba may be required if you are getting food from somewhere other than Conference & Catering Services or UMSU Catering Services. More information can be found at
