

G.I. Bill Benefits at the University of Manitoba

The Post-9/11 GI Bill provides financial support for education and housing to individuals with at least 90 days of aggregate service on or after September 11, 2001, or individuals discharged with a service-connected disability after 30 days. You must have received an honorable discharge to be eligible for the Post-9/11 GI Bill.

The University of Manitoba is an approved institution to receive G.I. Bill benefits; however, we must request on a case-by-case scenario. If you qualify for G.I. Bill benefits please contact our office with the completed information sheet and we will request the program for funding.

If your prospective program is not in this list, please contact us 8 weeks prior to when you intend on starting your study and we can apply for program approval.

Before we can confirm your attendance and costs to Veterans Affairs, you must be fully registered for classes, have applied for benefits and be enrolled in a program that is approved from the listing above. Ensure to plan ahead and submit the application form as soon as possible as funding can take up to four weeks to come into effect.
