J.G. Janitorial Services continue to provide efficient janitorial services to St. Andrew's College. A visitor to St. Andrew's College recently commented positively on the state of the janitorial work at the College as : "Hospital spotless". The College engaged Makesmile Inc. Catering formerly St. Andrew's Catering for the years 2018-2023. We are very happy with their superior service.

The College is following the University of Manitoba COVID policy. There is no longer a vaccination mandate at the University of Manitoba but masks still must be worn when staff, students and visitors are in public places.

It is hoped everyone at the College and all donors across Canada will remain safe as COVID becomes less prevalent. The College remains vigilant while striving to return closer to normal. St. Andrew's College has its chapel open and recently began to host student meetings, choir rehearsals and public lectures. May God grant that the COVID situation will continue to improve.

The College has had a good positive financial year due to a good return from the St. Andrew's Foundation, and the generosity of the donors.

I would like to express my gratitude to the Chair Ms. Pat Bugera and Members of the Board of Directors for their trust and support and for their unwavering commitment to the mission of St. Andrew's College. Thank you also to the Faculty of Theology, the Library, and the support staff for their hard work, dedication, and professionalism. Thank you to the donors and benefactors who support the College with their gifts and prayers, and to the members of the Order of St. Andrew for their continuing support .

St. Andrew's College has been able to accommodate in residence up to 24 refugees from Ukraine on a rotating basis as part of the Government of Manitoba Ukrainian Refugee Program.

Greetings and thanks to our Chancellor of St. Andrew's College, His Eminence Metropolitan ILARION, who was recently (Saturday, Nov.19, 2022) enthroned at the Metropolitan Holy Trinity Cathedral as Archbishop of Winnipeg and the Central Eparchy and Metropolitan of Canada for the Ukrainian Orthodox Church of Canada. # РЕЗИДЕНЦІЯ І СТУДЕНТСЬКЕ ЖИТТЯ

# RESIDENCE AND STUDENT LIFE

Колегія Св. Андрея є частиною Університету Манітоби. У ній знаходиться гуртожиток для українських православних та інших студентів. Добр. Геня Божик є відповідальною як за гуртожиток, так і за студентське життя.

Привітний, дружній та затишний гуртожиток має великі і маленькі односпальні, а також двоспальні кімнати для 38 резидентів - чоловіків та жінок. Кімнати гуртожитку обладнані необхідними меблями для комфортного студентського життя. Більше того, для студентів є доступними різноманітні устаткування, що створюють домашню атмосферу та забезпечує якісне довкілля.

У зв'язку з чинними обмеженнями, пов'язаними із пандемією коронавірусу, багато студентів все ще навчаються онлайн. Таким чином, резиденція Колегії Св. Андрея (2021-2022 рр) заселена лише на 40%.

Студентська Рада, Товариство Студентів Богослов'я, і Рада Українських Канадських Студентів Манітоби разом з адміністрацією Колегії сприяють і спонсорують різні види спорту, громадські, освітні, релігійні та культурні заходи.

St. Andrew's College is a Member College of the University of Manitoba and also a residence for Ukrainian and Orthodox and other students on the campus of the University of Manitoba. The residence and student life issues are the purview of our Residence Supervisor, Dobr. Genia Bozyk.

The intimate, friendly, quiet Residence has premium super single, regular single, and double rooms available for 38 residents - men and women. The Residence rooms are furnished with the basic necessities for a comfortable study life, and the numerous College facilities available to the students make for a homey atmosphere catering to a wide variety of needs.

Due to ongoing COVID restrictions, many students are still studying online from home. Thus for 2021-2022 St. Andrew's College residence is only at 40 % capacity.

The Resident Student Council, the Theology Student Association, and the University of Manitoba Ukrainian Student Association together with the College administration, usually promote and sponsor numerous sports, social, educational, religious, and cultural activities.

Working hand-in-hand with the Government of Manitoba Ukrainian Refugee Task Force, the St. Andrew's College residence is accommodating 24 Ukrainian refugees.

We hope to make them feel at home as they adjust to life in Canada.

# LIBRARY REPORT

Бібліотека Колегії Св. Андрея є основним джерелом знань не лише для студентів Богослов'я, але й для всіх, хто цікавиться Православ'ям і Східним Християнством, а також Українським Канадознавством, українською історією, культурою і мистецтвом.

Цього року ми замовили та отримали українські книги, які знайомлять нас із подіями сучасної історії України та відображають події Майдану та російської агресії у жорстокій війні проти України.

Окрім регулярної роботи із студентами і відвідувачами бібліотеки, планової обробки книг і брошур, замовлення та каталогізації нових поступлень, працівники бібліотеки здійснили низку наступних проєктів:

- Співробітники бібліотеки продовжують інвентаризацію, виправлення та перевірку всіх карток каталогів колекції брошур. Вони сортують і впорядковують коробки з брошурами за тематикою, щоб зробити їх доступними для наших відвідувачів.
- Триває робота над поточним проєктом – створення каталогу дублікатів книг.
- Бібліотека готує тематичні експозиції-вітрини: Українське Різдво, Великдень, День Незалежності України, День національного вшанування інтернованих, вшанування пам'яті жертв Голодомору-геноциду та інші.

St. Andrew's College Library is a vital source of knowledge, not only for the students of Theology, but also all those interested in Orthodox and Eastern Christianity studies as well as Ukrainian Canadian Studies, Ukrainian history, culture and arts.

In this year, we ordered and received Ukrainian books that introduce us to the events of the modern history of Ukraine and reflect the events of the Maidan and Russian's aggression in the brutal war against Ukraine.

In addition to the regular day-to-day work with the students and library patrons and routine processing of the books and brochures, ordering and cataloguing acquisitions, the library staff undertook the following very important projects:

- Library staff members are continuing the ongoing review, correction and verification of all author and title cards of the pamphlets collection. They are sorting and organizing boxes of brochures to make them more accessible for our patrons.
- We are proceeding with an ongoing project - a compilation and cataloguing of our duplicates holdings.
- The Library prepares thematic showcase displays: Ukrainian Christmas, Easter, Independence Day of Ukraine, National Internment Commemoration Day, Holodomor - Genocide commemoration and others.

We are very grateful for the donation of books received from:

1. Centre for Ukrainian Canadian Studies
2. Dr. Oleh & Bonnie Gerus
3. George Kotelko Memorial Fund

Each gift to the Library represents an investment in students and ultimately, an investment in the future.

We are very proud of our Library.

Please visit us.

## Ukrainian Canadian Heritage Studies Courses

2022/2023:

- POLS 3720- Politics, Government and Society in Ukraine (Winter 2023);
- HIST 3910- Ukrainians in Canada (Winter 2023);
- ECON 2510- Economy of Ukraine (Winter 2023).

## Letter of Participation in Ukrainian Canadian Heritage Studies

The centre was the first unit within the Faculty of Arts to get approval and successfully launch a letter of participation program.

Participants are required to attend a combination of lectures and (or) reading club meetings in order to be eligible to obtain the letter of participation. The lecture series take place from September until May and cover a wide range of Ukrainian and Ukrainian Canadians topics. Reading club meetings take place on bimonthly basis and involve a discussion of a new Ukrainian/Ukrainian Canadian book at each session. Due to public demand we now run two discussion sessions for each book (in the noon and in the evening time). An average of five participants attend reading club sessions. An average of thirty participants attend each lecture.

## Research:

Dr. Maureen Flaherty and myself have transferred the audio recordings from our study related to the experiences, hopes and dreams of Ukrainian newcomers in Canada to the UM Libraries. We have presented our findings at the conferences in Canada, Ukraine and Germany. Thank you to Dr. Flaherty for allowing myself and the Centre to be a part of this important community project.

We're pleased to welcome Dr. Nataliia Stepaniuk as the 2022-23 Petro Jacyk Post-Doctoral Fellow to the CUCS.

Nataliia Stepaniuk did her doctoral studies in Political Science at the University of Ottawa, Canada. Her research focuses on the rise of civilian volunteer networks amidst war in Donbas, Ukraine. Outside academic work, Nataliia is actively involved in community work, volunteering for the Ukrainian Canadian Congress - Ottawa Branch, and participating in various community-led initiatives.

## Scholars at Risk

Due to Russia's full-scale invasion of Ukraine, the University of Manitoba is hosting twenty Ukrainian scholars within the Faculty of Arts, Faculty of Sciences, Faculty of Law, College of the Medicine and other units.

The Centre has organised a welcome event for the scholars in collaboration with the St. Andrew's College that took place on December 1, 2022. Welcoming remarks were extended by the university administration and community leaders. The scholars were given an opportunity to introduce themselves and share their stories. Several community organisations were invited to set up informational booths to inform the attendees of their offerings and various volunteering opportunities.

We hope that this event has helped enhance opportunities for interdisciplinary research and collaboration between the academia and the community.
