COVID-19 ISSUES

St. Andrew's College continued to host, support and make the College facilities available to many community, Ukrainian, Orthodox, Centre for Ukrainian Canadian Studies, and University of Manitoba events, speakers and visitors until mid-March when COVID -19 restrictions stopped these activities.

What has the College done now to adapt to the COVID -19 conditions?

1. The College building, like most of the University of Manitoba has been and is in lockdown since March 2020.

The external doors are locked day and night and visits to the college are limited. This has helped keep the students and staff safe. Those who want to visit must telephone in advance and someone will meet them at the door.

2. The reduced Theology Program continues on-line for those at home and in person with the students who live in residence and those who are given keys to attend classes.

3. All meetings of the Board of Directors, Faculty of Theology, and Senate are held by teleconference/Zoom.

4. No summer staff was hired and the College has carried on with the main staff who are working very diligently.

5. The Faculty of Theology Program has been reduced, but is covering the essential courses for the students enrolled.

6. The College was able to benefit from the federal government wage subsidy and by doing so we have been able to limit financial losses while ensuring the continuance of essential services and programs.

7. The College is following the University of Manitoba COVID Vaccination policy that all students in Residence must be double vaccinated to live in residence or to attend class. There is a vaccination clinic on campus which will vaccinate international students for free. All staff of the College are fully vaccinated (by their own choice).

We all hope that the pandemic conditions end soon and we hope that more students, both in Theology and in residence will come to St. Andrew's College in September 2022.

COVID-19 has had a number of effects on the Faculty of Theology and on the finances of the College.

1. There are no new students this year in Theology. We truly miss the potential students that were not recruited in Ukraine as we were not able to travel to Ukraine in the spring of 2020. There are some who want to come from Ukraine, but the situation makes it very difficult to apply and fulfil the student requirements and travel. We hope that the situation will improve in the near future.

2. Financially, St. Andrew's College had only a partial income from summer residence fees as University summer classes were cancelled and most students stayed home. Likewise, our residence is only at 25% capacity as most University of Manitoba programs are taught online.

3. In spite of Covid we were able to keep a positive budget.

4. Since the end of March 2020, for the health and safety of everyone, absolutely everything had to be cancelled due to COVID -19. Thus, there is very little income from tuition, residence, sale of parking passes, and food service and no income from Children's Programs (Mini College, Grade 6 Ukrainian Language Camp), workshops, lecture series, banquets, social, educational, and community events.

Before Covid-19

St. Andrew's College, and we hope again soon, makes its facilities available to many community, Ukrainian, Orthodox, Centre for Ukrainian Canadian Studies, and University of Manitoba events, speakers and visitors.

St. Andrew's College has engaged with many of these various communities:

- Ukrainian Canadian organizations at the College: Ukrainian Women's Association of Canada - Союз Українок Канади, Ukrainian Self Reliance League - Союз Українців Самостійників, Manitoba University Ukrainian Canadian Students Society, Child and Youth Programs, Mini - College, make concerted efforts to reach out to the 4th Wave Ukrainian Community
- Ukrainian Orthodox Church of Canada Foundation Annual Meeting
- Manitoba Parents for Ukrainian Education Grade 6 Language Camp
- Provide Housing and a venue for Visitors from Ukraine
- Orthodox Bible Study Group
- Coptic Orthodox Parish Sunday School Teachers and Youth Workshops
- Student Council activities
- IEP - Intensive English Program for students from around the world (Brazil, Japan, China, Ukraine,...)
- ICM -International College of Manitoba
- Annual Group of Slovenian Masters Students
- U of M Open House, Evening of Excellence and Student Orientation events
- Residence students from all across Canada and from Ukraine and many other countries. The Residence is full year-round
- U of M Head Start (Residences Presentation)
- Stadium Game Day Parking which provides income but is also an opportunity for PR and community outreach (thank you to Mr. Paul Lasko and Roman Demchyshyn for all their efforts)

- Кожна дитина отримує спеціально підготовлений посібник, що добре сприяє збагаченню запасу українських слів.
- Складаємо щиру подяку Фундації СУС за фінансову підтримку Міні-Колегії та Студенської Культурної Програми.
- Багато різних організацій, груп і інституцій влаштовують в будинку Колегії конференції, замовляють житло та харчування.

During the summers, the College holds a Ukrainian summer program, “Mini-College” for children between the ages 6 and 13. Between 75 and 90 children have enrolled each year in the exciting three - week programs under the direction of the “Mini-College” coordinator and instructors.

Thank you to the SUS (СУС) Foundation for their continued support for the Mini-College and Student Cultural Programs.

During the summer months, many different groups, organizations, and institutions reserve conferences, lodging, and food services at the College.

КАПЛИЦЯ

CHAPEL

Колегіяльна Каплиця відіграє дуже важливу роль у вихованні кандидатів в ряди духовенства нашої Церкви. Богослуження в Каплиці відбуваються кожного дня. Це дає нагоду кожному студентові вправлятися в Богослужбовому читанні та співі.

Богослуження в Каплиці не тільки дає технічну підготовку, але й духовно готує студента і дає можливість плекати самодисципліну і готуватися до життя та обов'язків священика. Участь студента в Каплиці є показником, чи кандидат надається на висвяту чи ні. Каплиця завжди відкрита. Студенти з резиденції також мають нагоду щодня молитися в каплиці, що сприяє духовному зростанню майбутніх членів нашої Церкви.

Настоятель Каплиці, як капелян всіх православних студентів університету, провадить не лише літургічну практику при Богослуженнях, але й проводить дискусії на духовні теми (сповіді, поради) як зі студентами Богослов'я, так і з студентами університету. Оскільки праця капеляна вимагає багато часу (чи вдень, чи вночі), треба бути готовим надавати потрібну допомогу.

Тому дуже важливо, щоб капелян постійно

проживав у резиденції зі студентами.

Я дякую Дирекції Колегії, що дає мені таку нагоду.

The St. Andrew's College Chapel serves a very important function in the training of future clergy of our Church. Services are held in the Chapel every day, during the academic term, which gives each student an opportunity to practice and grow stronger liturgically. The liturgical life in the Chapel not only gives technical training but provides spiritual formation and the opportunity to foster self-discipline in preparing for the life and obligations of a priest. The participation of a student in Chapel life is a good indication of whether he will be a good candidate for ordination or not. The Chapel is always open. Also, non-theology students have an opportunity to pray everyday in the Chapel. In this way, Chapel life contributes to the spiritual growth of young people who will be the future members and leaders in our Church.

The priest assigned to the Chapel, as Chaplain of all Orthodox students of the University of Manitoba, does not simply give practical liturgical teaching but also provides an opportunity for spiritual discussions (counselling and/or confession) to the Theology

students and to University students in general.

Because the work of the College Chaplain places great demands on the time of a Chaplain (he must be available day or night), I believe it is important that the Chaplain live in the College with the students. I thank the Board of Directors of St. Andrew's College for the opportunity to do so.

The preparation of good candidates for ordination and the many good works of St. Andrew's College would not be possible without the generous support of our donors. Please remember the College at this time and throughout the year. May God bless you and keep you now and forever.

Підготовка добрих кандидатів на висвяту була б неможливою без щедрої підтримки наших жертводавців. Будь ласка, пам'ятайте про Колегію тепер та протягом року. Заздеlegідь Вам дякуємо.

ДЕКАНА БОГОСЛОВСЬКОГО ФАКУЛЬТЕТУ, ПРОТ. Д-Р. РОМАН БОЖИК

REPORT OF THE DEAN OF THE FACULTY OF THEOLOGY V. REV. DR. ROMAN BOZYK

Академічна й виховна праця Богословського Факультету впродовж періоду провадилась безперервно й успішно в чотирьох програмах (M.Div., B.Th., Dip.Th., Cert.Th.).

Більшість студентів є з Української Православної Церкви, тому наша програма намагається задовольнити їх потреби. У цьому звітному періоді були студенти також з інших Церков: Сербської, Румунської Православної і Української Католицької Церков. Українські православні студенти були переважно із Західної Канади або з України.

The educational and academic work of the Faculty of Theology continued throughout this period in four programs of study (M.Div., B.Th., Dip.Th., Cert.Th.).

The majority of students are from the Ukrainian Orthodox Church and the program strives to meet the needs of the Ukrainian Orthodox Church. During this reporting period there were also students from other Churches: Serbian and Romanian Orthodox, and Ukrainian Catholic Churches. The Ukrainian Orthodox students were predominantly from Western Canada or from Ukraine.

Each year there have been some 10 Theology students studying full-time and part-time.

During the last two years of COVID-19, classes have been conducted on-line / Zoom with about the same number of students. I thank the professors for their diligence and congratulate the students for their hard work and perseverance. It is hoped that we will get back to in-person classes in September 2022 or as soon as possible.

Якщо Ви знаєте когось, хто би був добрим кандидатом на священика, дайте знати їм про Колегію та заохочуйте їх прийти вчитися на Богословський Факультет Колегії Св. Андрея.

If you know someone who would be a good candidate for service in the Church, please encourage them to study Theology at St. Andrew's College. Provide me with their name and contact information, and I will be happy to contact them directly.

Членів Богословського Факультету Колегії Святого Андрея часто запрошують виступати у парафіях, на конференціях та на духовних семінарах.

Варто згадати великий внесок наших професорів в комісіях і комітетах при Консисторії. Членів Богословського Факультету часто просять допомогти у виконанні проєктів церковного проводу.

У період цього звіту, я успішно захистив свою докторську дисертацію про Святого Іларіона Київського за спільною програмою університетів Шербрук та Лавал. Дякую за підтримку та заохочення.

Members of the Faculty of Theology of St. Andrew's College were often invited to speak at parishes, conferences or retreats and they are happy to have more opportunities to do so in the future.

Professors of Theology have contributed a great deal to commissions and committees of the Consistory. Members of the Faculty are often called upon to assist with various projects of the Church leadership.

This reporting period has been, for me, a time of personal satisfaction. On September 24, 2018 I successfully defended my Thesis in the joint Theology Ph. D Program of Université de Sherbrooke and Université Laval. It is with sincere gratitude that I thank you all for your encouragement and support.

St. Andrew's College is very thankful for the levy from Church members which was approved by the UOCC Sobor. The levy enabled the Faculty to recruit four students, from Ukraine, to study at the College - two of which are already serving in our Church and are delegates to the Sobor.

The Consistory administers the UOCC levy, which includes the St. Andrew's College levy portion which is distributed to the College by the Consistory.

For the years 2015, 2016, 2017 the levy funds were not transferred in full to St. Andrew's College.

Thus, we were unsure as to whether or not we could make a 5-year commitment to the students because of the delay in receiving the levies from the Consistory. This meant that recruitment trips had to be cancelled and/or curtailed. We were not able to recruit as many students as we wanted, due to a lack of certainty as to the funds.

The levy situation has since stabilized but, in the last 3 years, COVID has made it impossible to organize a recruitment trip. Hopefully the situation will allow us to restart the active recruitment of students from Ukraine soon.

A sincere thank-you to His Eminence Metropolitan YURIJ for his years of service as Chancellor of St. Andrew's College. Is polla eti Despota!

Greetings and thanks to our new Chancellor, His Grace Bishop ILARION for his co-operation, help and advise. Is polla eti Despota!

Are you — or someone you know interested in Theology courses ?
