St John's College Warden's Report to Assembly September 17, 2019

I hope you have all had a refreshing summer with time for both scholarly/research pursuits and some R and R. I was fortunate to have a week at a cottage “off the grid” where I actually read four books in my own field of research! Then it was on to Toronto for two weeks of grandchildren care. Refreshing but in a different way.

Since Council has agreed for us to proceed with the fundraising for the residence much of my energy this summer has been on working with the Development Office on the promotional literature for the project and meeting with various key members of our community about prospects and how to move forward on this large project. We have also met twice with External Relations about the project.

This spring the University Administration informed myself and Chris Adams at St Paul's that we would no longer be reporting to the Provost but directly to the President. We no longer sit on Deans and Directors Council as a result although we continue to be members of Provost's Council. Since this is (finally) congruent with the 1970 Agreement we both agreed although we

are not sure yet of the implications of no longer attending Deans and Directors. Our budget lines remain within the Provost's Office.

Other activities include:

- 1) Alumni/Donor/Recruitment visit to Neepawa, Dauphin and Gladstone – May 14, 15
- 2) Host for the Anglican-Mennonite Dialogue at the College – May 24-26
- 3) Hiring Committee for Native Studies Department – May 27

Dean of Studies

Dean of Studies: Report to Assembly September 17, 2019

Welcome back to all everyone! We have a busy fall already underway at the College. In addition to welcoming several new Fellows, we also say goodbye this fall to Julie Gibbings, who has left UM and taken up a new position in Edinburgh, and to Erin Millions, who is pursuing postdoctoral research at University of Winnipeg this year.

Committees

A list of new and returning committee members was circulated in the summer. There have been a couple of changes, and the current list will be circulated at Assembly for ratification.

Nominations for New Fellows

We are committed to allocating some of our office space for senior doctoral students and postdoctoral researchers. The departure of Erin Millions has opened up an office for a new scholar.

The Membership Committee is nominating **Francois Jordaan** for a one-year Visiting Fellowship. Francois is a doctoral candidate in the Department of Anthropology, studying with Prof. Kent Fowler. His research is focused on social identities of Early Farming Communities in the southeastern Lowland region of South Africa. Francois has given a number of research papers here and in South Africa, and has been awarded numerous grants in support of his research. He is already a SJC scholarship recipient and active student member of the College.

The Membership Committee is also putting forward Melanie Unrau for a one-year renewal of her Visiting Fellowship. Melanie successfully defended her dissertation “**Tend the rusted steel like a shepherd**”: **Petropoetics of Oil Work in Canada**” in the Department English, Theatre, Film & Media in August, and is pursuing postdoctoral research under the supervision of SJC Fellow Diana Brydon.

Visiting Researcher in Western Canadian Studies

This year we had a significant increase in the number of applications for the Visiting Researcher positions. This was in large measure due to the work of Amy Craddock, who helped me to build an email list of relevant departments across Western Canada, who received the posting last spring. I also want to thank all of you for helping us promote this new program.

The Visiting Speakers/Canadian Studies Committee vetted the applications and we offered the positions to two scholars, **Dr. Dale Barbour** and **Dr. Rhonda Hinthier**, both of whom accepted. Dr. Barbour is with us at the College until early January, when Dr. Hinthier will take up the office space. I am putting forward each of these Visiting Researchers for six-month Visiting Fellowships at the College

You can find information about Dr. Barbour’s research on the SJC website http://umanitoba.ca/colleges/st_johns/programs/237.html

My research project is an environmental, social, and cultural history project entitled *Muddied Waters: The Social and Environmental Transformation of Winnipeg’s Red and Assiniboine Rivers, 1900-1972*. Winnipeg’s rivers are central to western Canadian history and historiography and yet in the early twentieth century they disappear behind a declensionist arc. Urban sewage and pollution are blamed for driving people out of the rivers. Winnipeg would only begin to publicly embrace its rivers again in the 1970s.

I will consider how a polluted environment is multi-layered and contested. Working-class and middle-class people used the rivers as a courtship space in the early twentieth century and metaphorically cleansed the water with their presence. However, the departure of sanctioned users and environmental decline worked in tandem with the use of the river by marginalized groups—bathers, homeless people seeking shelter, Indigenous people, and gay and heterosexual people seeking sexual encounters—to

contribute to the portrayal of Winnipeg's rivers as places of social pollution. Winnipeg's relationship with its rivers wasn't simply one of decline but rather social transformation.

Dr. Hinthner will be at the College during her sabbatical year from Brandon University, where she is an Associate Professor. She will be completing a book manuscript based on research on the history of leftist internment during WWII in Canada, much of which has a Western Canadian focus. The book project examines this topic through the experiences of the Ukrainian-Jewish extended Walsh/Weir/Boyd/Steele family.

Marjorie Ward Lecture

I'm pleased to announce that the 2020 Marjorie Ward Lecture will be given by Prof. Joan Sangster (Trent University), on Thursday March 12. Dr. Sangster is Past President of the Canadian Historical Association, and a prolific scholar in the history of women and gender, and labour history. Her latest book, *100 Years of Struggle: The History of Women and the Vote in Canada* is shortlisted for this year's Dafoe Prize.

Fellows Recognition Award

It is time for us to strike a committee for the Fellows Recognition Award. The previous recipient of this award was Prof. Francis Carroll, in 2016. The Terms of Reference for the award, which is normally given every 3-5 years, has been circulated. We require two Fellows to serve on this committee.

Soup and Bread

For the past two years, Soup and Bread was very ably convened by Micheline Hughes and Erin Millions. It is an important role, for which I am still seeking a new volunteer or two. If anyone is interested in helping out, please let me know.

In the interim, we have three lunchtime lectures scheduled for this fall:

Dale Barbour, October 2

Liv Valmestad, Nov 6

Ariel Gordon (UM Press), Nov 27

"Coffee's On"

After we had some discussion last term about more opportunities to socialize informally at the College, Amy and I would like to trial a new initiative. We will have a pot of coffee made and baking available in the early afternoon on the first Monday of each month in the Senior Common Room. We are asking for volunteers to contribute a modest amount of baking for these events. Amy will circulate reminders.

Writing Tutor Program

We are continuing to offer our writing tutor program in the college Library, beginning this week. Hours are yet to be confirmed by the Academic Learning Centre, but we will circulate that information as soon as we have it. Please share with your students. A reminder that all students are able to access this service. They do not have to be SJC members.

I received the following data from James Honeyford at the Academic Learning Centre about the first year of SJC's writing tutor program:

"The schedule at SJC was used quite well. For the year, 59% of the available slots were used for writing tutor appointments, which is exactly in line with the utilization rates for our other locations on campus (with the exception of the Dafoe library).

As I monitored the schedule during the winter term, I noticed that most of the days were fully booked until about 24 hours before, and then we saw quite a few cancellations (39% of available slots). This was the case with the other libraries as well, and I think we can increase awareness of our waiting list feature to reduce the number of appointments that go unused.

The students we saw in the St. John's Library location represented a nice cross-section of students:

- 82% undergrad; 15% grad students, 3% extended ed.

- 12 different faculties identified, with U1 (31%), Science (16%), Architecture (13%), and Arts (10%) as the most frequent

- 8 different languages identified as first/home language (plus 11 appointments for students who identified "other"); 49% identified a language other than English."

Bursar

Bursar's Report to Assembly September 17th, 2019

The College had a strong summer session, continuing the success of 2018-19.

Financial

BDO Canada conducted their audit of the College during the week of June 10th. Their report and accompanying draft financial statements were presented to the Finance & Administration Committee on September 5th, who have recommended their approval to College Council. For the 2018-19 fiscal year, General Operations posted a surplus of \$79,119 and Theology posted a surplus of \$10,175. This positions General Operations with an accumulated surplus of \$44,395, and Theology with an accumulated surplus of \$54,418.

Summer residence occupancy levels were approximately 61% averaged out over the course of the summer, comprised of regular students, external groups, and international student groups. These were good numbers and position us well for the fall.

Building Projects

We were once again able to do some maintenance/renovations over the summer. Numerous classrooms and some offices were painted, and we also replaced a large number of ceiling tiles and light lenses in classrooms that were either damaged or very dirty. We also replaced some broken blinds in the smaller seminar classrooms.

Administration

We had our first staff wedding at the College in a very long time! Amy Craddock was married in the St John's College Chapel on July 27th. She has St John's heartfelt congratulations and best wishes.

Dean of Residence

Dean of Residence Report

Residence Projects

Apart from regular maintenance for upkeep, we only had a few residence projects in mind this summer. Notable ones are building exterior sign, dorm room window repairs and multiple water/drainage repairs.

Ivan Froese and I looked into a few options for large building signs for our residence building. Two signs got installed on North and South exterior walls. As usual, a large number of windows in dorm rooms needed repairs. Ian Park and I contacted Accurate Dorwin and put in several work orders to replace/fix them. Lastly, we have experienced multiple instances of drainage issues in several washrooms/showers in the residence. We had physical plant come in a few times over the summer and repair some pipes, valves and drain.

Apart from these, regular maintenances in dorm rooms have been completed.

Regular Semester

As of August 21st, we had reserved all our rooms for Fall 2019-Winter 2020. We have maintained a waitlist of approximately 16 students for Fall 2019 and 3 students on our Winter 2020 waitlist. The residence is 73% international and 59% are first year students. We finally have a relatively balanced ratio of male and female students (56 male and 44 female). It is also worth mentioning that 36% of the students are returning from last year.

In an effort to show how diverse our student body really is, here is a list of countries/provinces our students are from this year:

Country/Province/Territory	No. of Students	Country/Province/Territory	No. of Students
MB (Winnipeg, Brandon, Cartier, Killarney, MacGregor, Morden, Portage la Prairie, Roblin)	12	Malaysia	1

Zimbabwe	4	Egypt	1
Nigeria	13	Azerbaijan	1
Zambia	2	Bangladesh	1
Mongolia	2	Sri Lanka	1

Summer Session

We had a lot of traffic this summer. Starting early June till the end of August, we had several groups stay with us, namely MITT (17 students), Engineering (22 students), Diocese of Rupert's Land (31 guests), Health Quest (16), Math Camp (25) and IEP (40 students). In addition, we had around 40 regular students in average all summer. In May, we were approximately 50% full, June at 52%, July at 59% and August at 73% on average.

Residence Activity

For the 2019-2020 academic year, the dons are:

- David Pollock
- Seungyeon (Julie) Yoon
- Riley Coulter
- Andrew Weber

They've already proven themselves to be hard workers and great leaders, and I'm excited to work with them this year!

Res Council is holding elections on September 19th. Currently we have Hugo Ko and Lillian Wood as Co-Presidents for the council. They will be joined by a Financial Director, Communications Director, Yearbook Editor and 4 Hallway Representatives after the election.

The first House Meeting was a success. The Residence Contract, Sexuality and Multiculturalism were the main focusses at the meeting.

Happy to answer any questions. Thank you.

Registrar

The first Saturday of June we had an information table at “Next Steps”, previously known as Head Start. This was a well-attended event, with many students with their parents stopping by our table for information on the College, with some asking for, and receiving, a tour of the residence.

In mid-July, as part of the University of Manitoba’s orientation programming, we had an information table, and I partnered with St. Paul’s College, to give a presentation on the benefits of College membership, at a new event, “Getting Good Grades.” This was the first time this event was held, and its focus was on the extras of University life that help students engage and succeed, such as chaplaincy, student groups, and other student life involvement. Fayaz joined me at our information table and we found, as well as during the presentation, that we were mainly talking with students who had already joined the College.

Welcome Day was on September 3. This year I did not have an information table as the SJCSA had one at the UMSU info fair. While Welcome Day is usually one of our best days for recruitment, by all accounts, the SJCSA table was visited several times more than ours has ever been during the regular info fair. I shall definitely be getting them more involved at upcoming events like Evening of Excellence on October 29.

Matriculation is coming up on September 22 at 3:00 pm in the Chapel. Preparation is well under way. As a reminder, all are invited to attend to welcome new members to the College.

The 153rd annual Convocation is on November 3rd. You all should have received an invitation. If you have not, please let me know and I will send you one. If you have received your invitation but you have not yet replied, please send in your reply card to me as soon as possible, but no later than October 10.

St. John’s College Student Association September Report

This year University of Manitoba Student Union invited St. John’s College Student Association to be a part of student tabling during orientation that took place on September 3rd. During the event SJCSA handed out a variety of promotional items, such as pens, lanyards, and notebooks. Based on the amount of college informational sheets that were handed over two hundred students came by. We are hopefully that this attracted new students to the college.

The overall response for Jumpstart, that was held on September 7th was positive. Attendance numbers did increase as the day went on, however less students are attending every year. Poor weather is most likely a contributing reason.

SJCSA is starting the year off with fifteen members and we are still planning out the events for this year.

Thank you,
Susanne Schwickart

REPORT ON GRADUATE STUDENT WRITING RETREAT, 7 NOVEMBER 2019

Facilitators: Sherry Peters, Micheline Hughes, Erin Millions

In response to statistics provided at the May 2019 Assembly meeting indicating a steep rise in graduate student enrollment in St. John's College, the suggestion was made that the College should take initiatives to connect with its graduate student population.

Sherry, Micheline, and I volunteered to spearhead grad student writing retreats in the 2019-2020 Academic year. In meetings in summer and fall 2019, we decided that we would aim to hold two one-day writing retreats, with one in the fall term and one in the winter term. We decided that registration in the Fall retreat would be restricted to grad students enrolled through SJC and capped enrollment at ten people. The Dean of Studies committed funds to provide food for the events.

Our first writing retreat was held in the Senior Common Room on 7 November 2019 from 9am to 4pm. When registration was not full in the days leading up to the Retreat, we opened up registration to all UManitoba grad students. We had five graduate students RSVP for the event and those same five students all came to writing retreat (3 PhD students, 2 Masters students from Native Studies, Health Sciences, and Religion). Two of the students came from the Bannatyne Campus specifically for the writing retreat. Some of the attendees were unable to attend the full 9-4 session but came and went as their schedules allowed.

The Dean of Studies funded a morning coffee break and an afternoon coffee break. We asked attendees to bring their own lunch. This was a point of concern on the part of the Daily Bread. However, in the end, student attendees either bought their lunch at the Daily Bread or ate the leftover food from the morning coffee break. There were also concerns on the part of the Dean of Studies that the use of the lunch table over the lunch hour would disrupt staff and fellow use of the area, but this proved to not be an issue either. Because students were arriving as their schedules allowed, we ended up having a more flexible lunch break that we originally planned for and staff/faculty used the table for lunch. Attendees ended up working at the lunch table in the afternoon, but since it was after lunch this did not seem to disrupt staff/fellow use of the SCR. Attendees moved to the lunch table as it was quite chilly in the back room of the SCR. In future, we might consider a space heater or another area to host the writing retreat.

Sherry Peters provided her expertise as a writing coach to the retreat. Three of the students made use of Sherry's private coaching sessions and Sherry also led a roundtable discussion on the challenges of writing. Thank you to Sherry for contributing her expertise, outside of the requirements of her job description, to the writing retreat.

The student attendees gave overwhelmingly positive feedback about the writing retreat. They requested that we do the writing retreats weekly or monthly and spoke very highly of the Senior Common Room as a comfortable and quiet writing space.

As Facilitators, we learned that the back part of the SCR will require additional tables and chairs or use of the front part of the SCR to accommodate a full slate of 10 attendees.

At least one of the PhD students who attended ended up registering as a SCJ student as a result of his experience at the writing retreat. The Facilitators discussed the potential of the writing retreats as a way

to not only draw SJC grad students together but also attract grad students to the college by opening up registration to all grad students.

The Facilitators plan to host a second writing retreat in the winter term. However, we would like to note that Micheline and Erin are doing the work on the Writing Retreats above and beyond their other committee work. If the College wants to continue to work on building and integrating its Grad Student population into college life, we suggest that Assembly strike a committee dedicated to Grad Student issues that includes fellows, staff, and grad student representatives.

St John's College
Warden's Report to Assembly and Council
November 20, 2019

This has been a difficult Fall with the passing of a number of our long time Fellows and friends: John Wortley, Wally Fox-Decent, and Lance Roberts. We seem to be facing a turning of the generations at the College.

In Theology, the College has reached an agreement with Canadian Mennonite University to accredit our courses and thus make them available to students pursuing M.Div. degrees not only at CMU but elsewhere. We offered our first course on Anglican Systematic Theology last winter and our second this term on Liturgical Theology taught by the Rt Rev Donald Phillips. In this winter term we will offer the second part of Anglican Systematic Theology and a course on the History of Liturgy. We hope that in the spring session we will be able to offer a course on Indigenous Theology. Planning is already underway for next year when we will offer Contextual Theology as well as Leadership in Ministry.

We were most fortunate to have the Rev Deacon Prof Diarmaid MacCulloch come and deliver the Wilmot Lecture this fall. We did this in collaboration with the University of Winnipeg. Prof MacCulloch preached at St Peter's Church, lectured at the University of Winnipeg on the English Reformation and delivered the Wilmot Lecture on "Sex and the Church". We are looking towards future collaborations with the University of Winnipeg.

Dr. Dale Barbour, the Visiting Researcher in Western Canadian Studies, organized RiverTalk: A Roundtable on Winnipeg's Rivers, held on November 18th. In addition to Dale, two SJC Fellows spoke at this event – Adele Perry, and Michael Minor. We provided a light lunch for participants.

Marjorie Ward Lecture: CHANGE OF DATE

The 2020 Marjorie Ward Lecture will be given by Prof. Joan Sangster (Trent University), on **Thursday March 5**. Dr. Sangster is Past President of the Canadian Historical Association, and a prolific scholar in the history of women and gender, and labour history. Utilization so far this semester is 75%.

Career Consultant Program

One of the goals of the Thrive student support program is to provide career supports. I'm pleased to announce that we are starting a pilot drop-in career consultant program, in cooperation with UM Career Services. The Consultant is a SJC graduate, Trevor Leymann, who some of you might know. Trevor will be in the SJC Library Thursday Nov

28 and Thursday Dec 5 from 2:00-4:00 pm. Please advise students about this service. Like our tutoring, it is not restricted to SJC members.

Graduate Student Writing Retreat

Sherry Peters, Erin Millions (former SJC Fellow) and Micheline Hughes (SJC Visiting Fellow) organized a writing retreat for graduate students on November 7 from 9:00am to 4:00pm, held in the Senior Common Room, with coffee and snacks provided by the College.

Bursar's Report to Assembly November 20th, 2019

Financial

At the end of the second quarter each year our financial statements have two important indicators – Food Services and Conferences and Summer Residence.

At the end of September, Food Services is \$15,393 ahead of the previous September year to date surplus, and Conferences and Summer Residence exceeded our budgeted surplus by \$1,891. Residence regular session has only just begun so those numbers aren't as revealing but we began the term fully occupied so that also bodes well moving forward. You can view the rest of the numbers in the included September 2019 Budget Summary. The forecast for the rest of the year is positive.

Administration

There are several staff updates I would like to draw your attention to:

Diana Defoort is currently on a medical leave. Her long-term status has still not been determined. Thankfully, all of the year's scholarships and bursaries were awarded while she was still here, and during this time the rest of the administrative staff are contributing to the work that needs to be done in her absence.

Fayaz Hasan is also currently on leave. Unfortunately, Fayaz has been given (in our opinion), an unfair ruling on his application for Permanent Residence status due to a technicality that could have been resolved had he been informed of the issue. Instead his application was simply denied. We are optimistic this issue will be resolved, but at this moment he is ineligible to work in Canada. I am acting as the Dean in his absence, and the Dons have been a great help to me during this time. The rest of the administrative staff have also been very helpful.

After 15 years of dedicated and invaluable service to the College, our Assistant Bursar Elnora Wiebe is retiring. Her last official day is November 30th. The College (and I), will miss her expertise and commitment to her work. We are very grateful for the significant contribution she has made to the success of the College and want to express our heartfelt appreciation. Thankfully, Elnora has chosen to ease herself into retirement and as such will be working part-time 2 days/week assisting with clerical/accounting work.

On the recommendation of a hiring committee consisting of Christ Trott, Jackie Markstrom, Amy Craddock and myself, Nick Procyshyn has been selected as our new Assistant Bursar. Nick has spent the last 4.5 years as a Finance Officer at the Manitoba Metis Federation, and we are excited to have him join the College Administrative Staff. We received approximately 40 applications for this position, and we interviewed 3 very qualified candidates. His start date is November 28th.

ST JOHN'S COLLEGE

ESTABLISHED 1866

Registrar's Report November 2019

October 29th from 6:00 – 8:30 pm was Evening of Excellence at the UofM. This is an orientation evening for grade 12 students who are expected to apply for early admission, and their parents. Once again, it was a good evening, many people stopping by the booth to talk. It was a great introduction to the College for many people. Much thanks to Makenzie Taylor, Susanne Schwickart, and Olivia MacDonald for working our booth.

The 153rd annual Convocation was on November 3rd. Once again, it was a successful event with approximately 45 of our Scholarship, Bursary, and Award recipients attending, and 10 graduates. Thank you to all who attended, and the staff for all the work they did to make it a success, and to the student volunteers.

On Friday, November 1, I gave a presentation to the Manitoba Advising Professionals on Academic Coaching in the Advising Setting, at their annual conference. This is an annual conference for Post-Secondary Academic Advisors from across the province.

On Thursday, November 4, Fellows Erin Millions, Micheline Hughes, and myself facilitated a grad student writing retreat in the Senior Common Room. Five grad students attended, three of whom made use of my coaching for assistance. Attendees had a productive day, and would love to see more of these retreats.

The next big recruitment event for us will be the University Open House in February.
