May 2010

I am very pleased to present the report of the activities of St John's College for 2010. As with any report of this nature, this is a compendium of major initiatives, of quantitative data, of governance decisions, and of the award and publication highlights of our Fellows' careers. It paints a broad brush picture of a highly productive, dynamic and intellectually engaged community. What it only hints at is the rich and diverse scholarly and social life that takes place. It gives only a suggestion of the tremendous devotion of the academic and support staff to helping our students achieve their educational goals and the dedication with which our students take up the task of becoming educated. It cannot possibly give a complete sense of the generosity of our donors and supporters, or the gratitude with which we receive their support.

This year saw us officially end our Capital Campaign and thank the literally thousands of individuals that supported the Robert B. Schultz Lecture Theatre, scholarships and academic programs, and a number of other important initiatives for the college. We also had the opportunity to thank the dedicated cabinet that had worked so hard and for so long in helping us achieve success in this campaign. There is a beautiful new donor recognition installation in the Robert B. Schultz Lecture Theatre that lists the names of our donors.

Once again, the list of publications and honours achieved by our Fellows is most impressive. St John's College as an academic community is unparalleled, both in terms of the scope and the standard of its contributions to research, scholarship and creative work. It is also a community that values teaching and student interaction, as indicated by teaching awards, the participation of faculty and students in college organized social activities and by the heartfelt testimonials of students, such as the one given by Jarett Myskiw at our Convocation luncheon.

St John's College also benefits greatly from the expertise and dedication of an extremely fine administrative staff. The staff has, in many ways, been the backbone of the College – always present and always willing to help. This has been an especially difficult year for the staff with our long-standing and beloved Registrar, Erin Palamar, having had to leave her position due to complications from the treatment of her terminal cancer. It has been difficult to lose the day to day presence of a valued colleague and a treasured friend but she has made a lasting impression on the hearts and minds of virtually everyone who has been a part of our community.

This year we have initiated a strategic planning process, partially in preparation for a change in leadership in the middle of 2011. I look forward to working with the Fellows, staff, students and governing Councils over the next year as they work at determining the future vision for St John's College. It will be good!

Janet A. Hoskins, Ph.D.  
Warden and Vice-Chancellor

**1. Introduction**

The Annual Report of St John's College is a document that endeavours to provide an official record of the relevant statistics and changes of the College for the year. However, it is also written in an effort to capture the growth, achievements, events, and unique character of St John's. The officer or staff member responsible for an activity has prepared each section and, as such, some of the personalities of these individuals are present. In the belief that a great deal of the success of the College is attributable to the personal commitment of these people to St John's, every effort has been made to maintain this personal perspective while, at the same time, presenting a cohesive chronicle of our activities.

**b) Scholarships, Bursaries, Prizes and Awards**

St John's College awarded 92 individual scholarships, bursaries, and prizes totaling \$86,928.10 in the 2009-2010 academic year. Eighty-seven of these awards (totaling \$83,195.00) were made to University of Manitoba students, while five (totaling \$3,733.10) were made to students of the College's Faculty of Theology. \$1,800.00 in emergency funding was also awarded to four students from the Charles Edward Drewry Bequest.

Award certificates were presented at the College's Convocation on November 1, 2009. Many of the donors of the awards attended Convocation, where they had the opportunity to meet the recipients.

We are delighted to announce the establishment of the Laurence Frank Wilmot Bursaries. These consist of three equal awards, two for students enrolling in the Diploma in Applied Theology program, and one for a student continuing in either the Diploma in Applied Theology or the Advanced Certificate program.

As well, the first award for the Mary and Patrick Lee Bursary (formerly known as the Uganda Bursary) was made this year.

We are grateful to the many generous individuals and organizations that have established or supported awards at St John's College. The awards program has also benefited from the support of the provincial government's Manitoba Scholarships and Bursaries Initiative Fund.

**c) General Recruitment**

The College was present at the following recruiting events: the University of Manitoba Info Days, the University of Manitoba Parents' Program and the University of Manitoba's Evening of Excellence. We also made presentations at St John's Ravenscourt School and the Brandon Career Symposium. We revised our College information booklet and ordered promotional pens.

**d) Orientation**

The College offered a 24-hour orientation event called "JumpStart". The event was planned and run by College students in consultation with the Chaplain/Dean of Residence and the Registrar. The cost of JumpStart was \$45.00 per person and included one night in Residence, meals and snacks. The students participated in icebreaker sessions, bowling, a bonfire, a photo safari (scavenger hunt) and an information session. Twenty-eight students registered for JumpStart this year. Our Dons' team and the ten student leaders who offered their time and commitment to the new students contributed greatly to the success of JumpStart, which has become the flagship of student-driven events at the College. Many thanks must go to Senior Stick Lynn Van De Spiegle, Vice-Stick Jordan Bull and the team of leaders for a job very well done.

***e) Student Life***

Following elections held in March 2009, the St John's College Students' Association for 2009-2010 had the following membership: Senior Stick, Lynn Van De Spiegle; Vice-Stick, Jordan Bull; Treasurer, Jessica Persson; Executive Assistant, Kenzie Nemez; Chairperson, Dustin Hoft; 2 Programmers: Christine Reinfort and Melissa Hoft; Student Services, Dustin Reimer; Religious Affairs, Kim Le; Assembly Rep, Laurie Ann Vermette; Communications, David Persson; Sports Rep, Samer Bagagag; First Year Res Rep, Joel VanKoughnet; First Year Day Rep, Natalie Ira-Gould; 2 Co-Presidents, Mitch Darr and Trent Hrappestad.

Again this year the annual "End-of-Term" and "Opening-of-Term" barbeques were well attended by both day and Residence students, faculty, and staff. Various events were held during the year. These included the "Share What You Can Spare" Coffee House, which was held in the new Robert B. Schultz Lecture Theatre. All food that was collected by those attending was donated in support of the University of Manitoba Food Bank. Operation Christmas Child saw the College engaged in generous gift-giving. The joint Mask-O-Rade Boat Cruise between SJCSA and UMSU resulted in an exceptional student turn-out on the River Rouge.

The 2009 graduation dinner and dance was held at Bergman's on Lombard on April 4th. There were seventy-four people in attendance. The Student Council did a great job of planning and promoting the event. Joshua Adria was the 2009 Valedictorian.

The St John's College Students' Association established the SJCSA Fellow of the Year award in the spring of 2003 as an expression of their gratitude for all the work the Fellows do on their behalf. The Award is given to a Fellow of the College who demonstrates excellence in teaching and research, and who makes a demonstrable commitment to bettering the welfare of students of the College. The SJCSA maintains a plaque that lists the names of the award recipients. The sixth annual award was presented to Dr William Norton (Geography).

***f) Residence***

**Winter Term (January through April 2009)**

The Residence Leadership Team members for the Winter Term were Senior Don, Shirley Ho; Residence Dons, Loretta Ephraim, Ted Klassen and Harley Shepherd; Co-Presidents of the Residence Students' Association, Lynn Van De Spiegle and Trent Hrappestad; and the International Student Representative, Michael Chiimba.

Thanks to the Residence Students' Association, we had a very good year. Elected students were: Jordan Bull, Chairperson; Lynn Van De Spiegle, Co-President; Trent Hrappestad, Co-President; Shamez Kassam, Co-Programmer; Shihari Patel, Co-Programmer; Kaeley Gould, Assistant Co-Programmer; Andrew Race, Director of Finance; Kenzie Nemez, Director of Communication; Jessica Persson, Yearbook Director; Hall Representatives; John Sorial, Richard Moller, Sai Kaewtip, Kieran Moolchan, Mitch Darr, Katie Perepeluk and Ambrose Ng. The Spirit Cup Representative was Wesley Sexton. The Residence Students' Association did a very fine job of organizing social activities and managing its' finances.

The annual cycle of residence events for this term included intramural sports and social activities. On St Valentine's Day many residents delivered "candygrams" and chocolate treats to their friends. The residents played the annual Snowbowl, with the

upper floor against the lower floors in a fun game of soccer. Because of the deep snow, players were allowed to use their hands. A number of students went skiing together over the February break. The spring residence banquet had the theme "Fictional Characters." This was a costume party, with residents dressing up as a literary or film character. Near the end of term, residents enjoyed races with go-carts. The students also went to play paintball.

#### **Residence Recruitment**

Representatives of the College attended the Brandon Career Symposium in March 2-4, as well as Info Days at the University on February 18 and 19, the Parents' Program on June 6 and Evening of Excellence October 26, 2009. The College had a booth at these events, and staff members met with prospective students and their parents. The Parents' Program took place at the Investors' Group Athletic Centre.

#### **Fall Term (From September to December 2009)**

The Residence Leadership Team members for this academic year include Ted Klassen, Senior Don, Residence Dons Harley Shepherd, Rui Zhou and Heather Wilton, as well as Trent Hrappestad and Mitch Darr, Co-Presidents; and Kenzie Nemez, International Student Representative.

Training for the Residence Leadership Team is comprehensive. The Residence Dons, the International Student Representative and the Co-Presidents of the Residence Students' Association were all given Non-Violent Crisis Intervention training, Suicide Prevention and Intervention training, CPR and First Aid. The Residence Dons joined with the Residence Associates from U of M Housing and Student Life for training in topics that included Respectful Residence Environment, University Fire and Emergency Procedures, Dealing with Sexual Assault and Helping Students in Distress. This was followed by our annual retreat. This year we went to Camp Morton for team building.

We had a large number of international students, with eleven Intensive English Program students bringing our numbers up to thirty-four international students. This fall, we had thirty-four returning students.

Community spirit was excellent. The annual Fall Term cycle of residence events included the welcome week activities (Movie Night, Great Residence Escape, Bonfire and Open Door Night), Scavenger Hunt, TAG, Hall Halloween Decoration, Pool League, Christmas Banquet and Secret Santa. We joined with Housing and Student Life in a number of residence events through the Spirit Cup competition. The Fall Banquet and House Meeting attendance were excellent. Interest in sports and intramural events has been very good.

#### **Spirit Cup**

For the second year, the residence students competed with the other University residences for the Spirit Cup. Students participated in attending Bison sports games and other activities. Points are awarded for participation and attendance. Wesley Sexton organized the residence students for these activities.

### **3. Conferences**

During the conference season we had the following groups staying at the College:

- a) A group of 20 international students from the Intensive English Program
- b) 22 regular summer residence students
- c) Winnipeg Woodcarvers during the first weekend of May
- d) Spring Explore students through the Intensive English Program from May 24 to June 5
- e) Summer Explore students through the Intensive English Program (meals only)
- f) Math Camp students from August 16 to August 18

In 2009, there were 41 Fellows, including the Warden, Dean of Studies, Dean of Theology, an Associate Dean of the Faculty of Arts, an Associate Dean of the Faculty of Environment, the Executive Director for International Relations at the U of M, one Department Head in the Faculty of Arts (Religion) and the Chairs of three Centres associated with the Faculty of Arts.

Fellows are situated in the St John's College Faculty of Theology (1) and eight faculties and schools of the University of Manitoba: Architecture (1), Art (1), Arts (24), Education (3), Medicine (1), Music (1), Clayton H. Riddell Faculty of Environment, Earth and Resources (3) and Science (6). Within the faculties, a number of departments are represented by the SJC Fellows: Architecture – Interior Design, Arts – Anthropology, Economics, English, French, History, Icelandic, Native Studies, Political Studies, Philosophy, Religion and Sociology; Clayton H. Riddell Faculty of Environment – Geography; Medicine – Community Health Sciences, Science – Computer Science, Mathematics and Botany.

Assembly elected Egil Grislis (Retired Professor Emeritus of Religion) and David Punter (Retired Professor Emeritus of Botany) as Visiting Fellows; Kent Fowler (Anthropology) Junior Fellow for a 3-year term; Ryan Eyford (History) and Sheila Simonson (English) Research Fellows. In the Winter Term Richard Beinert was a guest of the College, while in the Fall Term, Roger Wilson joined us as a guest as a refugee from the fire in the Duff Roblin Building.

A brief survey of the Academic Awards and Publications of the College Fellows demonstrates the lively intellectual atmosphere that the College provides, as well as the variety of issues and subjects under scholarly scrutiny. The following lists present only a portion of the Fellows' work, largely in the area of publishing (both creative and academic) and reflect little of the ongoing teaching responsibilities in which Fellows continue to be recognized for their outstanding contributions to student learning. Of the current College Fellows, 21 have maintained an active presence in Canadian Studies, as evidenced by their participation in conferences and publications, marked in the following partial list of their published record by the symbol .

**5. Administrative Staff**    During 2009, our Registrar, Erin Palamar, was forced to take time away from work to focus on some health problems. Her expertise and knowledge were greatly missed, but we were fortunate that Diana DeFoort, our Faculty Assistant, was able to fill in and ably take on the responsibility of organizing the College Convocation ceremony, our largest annual event. We were also very pleased to hire Jackie Markstrom as our new full-time Development Officer.

**6. Academic Programs Undergraduate Courses**

This past year has been the first full year of operation of the Robert B. Schultz Lecture Theatre at St John's College. The new lecture hall has proved to be extremely popular with University Departments and has been fully booked. With both the new lecture hall and the small room 118 we have been able to offer a wide variety of first year courses providing College students with a full range of first year courses not only in Arts and Science, but also in Environment, Music and Architecture.

**Centre for Canadian Studies**

In the 1970 agreement between the University and the Colleges, St John's was to select an area of emphasis in its academic programme: the College chose Canadian Studies. Since then, as far as possible, the College has sought to elect Fellows with an interest in the area. Of the current College Fellows, 21 have maintained an active presence in the area, as evidenced by their participation in conferences and publications, a partial list of which was included previously in this report.

As the 1970 agreement is currently interpreted, the College cannot on its own teach Canadian Studies. The undergraduate program must be housed and coordinated through a Faculty of the University. Canadian Studies is therefore a program of the Faculty of Arts.

The College has developed an extensive art collection, primarily through donations from the artists. The primary commitment is to collect contemporary Manitoba, Prairie Region, and Aboriginal art as well as works of quality from the Canadian historic period. The art collection at St John's College is a visible collection, hung in offices, classrooms, and public areas. Most of the works in the College have been permanently installed. The College also provides a gallery space, the Quiet Room Gallery, and often holds four exhibitions during the academic year.

The library holdings of the College have a focus on Canadian literature, history and politics in both English and French. The major collection of French-Canadian literature at the University of Manitoba is centered at St John's College.

**Scholarships**

St John's College offers a number of awards that are specifically for Canadian Studies students or for those whose studies are focused on Canada. Recipients of these awards in 2009 included: Kelsie Britten, G.L. Broderson Memorial Award; Jill Heinrichs (Geography), Alice Cheatley Bursary; Breane Reinfort and Priscilla Mah, The Colin Inkster Memorial Award; and Daniel Elves, The Sir John Schultz Prize.

**7. Faculty of Theology**

The Faculty of Theology continues its work of academic development and ministry support.

1. The main work of the Faculty of Theology is support and development of the Diploma in Applied Theology, and the Advanced Certificate. The 2009–2010 academic year began with a total of four students in the Advanced Certificate, and 6 Special Students variously enrolled in four courses. Special Students are those who enrol either through our links with the University of Winnipeg, by letter of permission from another institution, or through special interest. The Diploma was not offered for the 2009–10 session. One sessional instructor and the Dean of Theology supported the courses offered in the Certificate. Overall, students appreciate the varied perspectives brought by sessional instructors. This enriched our learning environment.

2. At the November 2009 Convocation, two students graduated with the Diploma in Applied Theology. This happy occasion represents an important contribution to the life and ministry of the Diocese of Rupert's Land, as all our graduates are actively engaged in the life and ministry of their parishes.

3. The Faculty of Theology web page is found at:  
[http://www.umanitoba.ca/colleges/st\\_johns/programs/DAT\\_intro.shtml](http://www.umanitoba.ca/colleges/st_johns/programs/DAT_intro.shtml)

4. The Dean of Theology presented papers at the *Richard Hooker Society Conference* held at Trinity College, Toronto in October, and the *Society of Biblical Literature Annual Conference* in New Orleans in November. He also edited, and was a contributor to, a *festschrift* in honour of the Rev. Egil Grislis, lately Professor Emeritus at the University of Manitoba and Visiting Fellow at St John's College. The *festschrift* was published at St John's College Press.

5. Our participation in the Winnipeg Theological Cooperative (W.T.C.) provides a broader academic platform where the College can be active in the wider theological community. We represent the Anglican Home College for students in the University of Winnipeg M.Div. programme.

Jarett graduated with a B.Sc. in Computer Science in 2003, and as a member of St John's College will be graduating in 2010 with a B.Ed. He is currently looking for a middle-years' teaching position.

## **9. Chapel**

### **Leadership**

The Chapel Team included the following people: Dr. Janet Hoskins, Incumbent; the Rev. Paul Lampman, Chaplain and Dean of Residence; the Rev. Dr. John Stafford, Dean of Theology and Honorary Assistant; Ms Rachel Cameron, Chapel Musician; and Professor Charles Horton, Director of All the King's Men. Dr. Elena Ivanitskaia was the Sacristan. Student volunteers helped to lead worship by reading the Scriptures, assisted with Communion and leading the prayers of the people.

### **Chapel Music**

Professor Charles Horton directs *All the King's Men*, a male-voice liturgical choir, which is affiliated with the [Royal School of Church Music](#). During the academic year (October-June), the choir sings at Evening Prayer (Choral Evensong at 7 p.m. on the first Sunday of each month). In addition, the choir sang at the Tenebrae service on the Wednesday in Holy Week, and at an Ascension Day mass. We have thirteen committed members.

### **Chapel Worship**

The pattern of weekday worship times was 9 a.m. and 12 p.m., Monday through Thursday, with a mid-week Holy Communion Service at noon every Wednesday. Sunday worship times were 4 p.m. and the 7 p.m. Choral Evensong on the 1st Sunday of the month. Holy Week services were Tenebrae on the Wednesday, Maundy Thursday Eucharist, Celebration of the Lord's Passion on Good Friday and the Easter Sunday celebration. We also had ecumenical worship services with the U of M Chaplains' Association for Thanksgiving, Advent, Shabbat Dinner and World Day of Prayer.

### **Joint U of M Chaplaincy Initiatives**

There are a number of U of M Chaplaincy events, and the Church College Chaplains take part in these or help to organize them: Bagel Break early in the fall term; Chewy Tuesday's - 1<sup>st</sup> of every month (meet and greet lunches); Ecumenical Thanksgiving Service (at St Paul's) with food donations to the U of M Food Bank; Ecumenical Lessons and Carols at the beginning of Advent (at St John's) with food donations to the U of M Food Bank; Peanut Butter and Jam sandwiches for kids at risk, in March – (food for homeless shelters); visit to the Synagogue for the Shabbat Dinner; and the World Day of Prayer.

### **Diocesan Work**

The Chaplain has been a member of the Diocesan Youth Ministry Leadership Team and is currently the chairperson.

### **Weddings**

The following people were married in St John's Chapel: Chelsea Comrie and Jason Hawcroft (March 20); Vincent and Amanda Jung (May 16); Jessie Manlig and Andrea Southern (July 11); Graham Steeds and Shayla Schaefer (August 15); and Jenny Western and Ben Borley (November 21).

### **Funeral and Memorial Services**

This year Rev. Paul Lampman was asked by the Department of Human Anatomy & Cell Science to officiate at the 2009 University Burial Service along with 2 other clergy. This year the Service was held on June 26th, at Brookside Cemetery.

### **The Chamber Orchestra at St John's College**

Local composer and musical director Blakeman Welch leads the Chamber Orchestra. This group of amateur musicians does at least two benefit concerts per year for local charities. The Chaplain has been the honorary president for four years now.

**Silent Meditation**

The Chapel remains open for silent meditation practice and prayer. This was a way of helping the students to relieve stress.

**Christian Education**

There was a weekly Bible Study in the Chaplain's office and a weekly Guided Meditation offered in the Chapel. College Fellows and the Chaplain gathered on a monthly basis to discuss *Why Study the Past?* by Archbishop Rowan Williams.

**Outreach**

The Chapel community and the wider College community are supporters of the U of M Food Bank. Two Coffee House fundraisers are held each year for local and area food banks. Christmas gift hampers are prepared for single parent families. St John's students went to the Winnipeg Harvest for a tour and to volunteer.

**10. College Facilities**

The following is a brief summary of the major projects that took place at St John's College during 2009:

- Replaced 10 mattresses in Residence.
- Carpeted the hallway area outside of the student lounge and CUPE office.
- Installed the new grad carrel desks, and repainted them.
- Purchased new leather sofas and loveseats for two student lounges in Residence. We also purchased a new TV for one of the lounges.
- Replaced furniture in the apartments with leather sofas and loveseats.
- Installed new corkboards outside of each professor's office.
- Replaced exhaust fan in general office.

**11. Food Services**

I would like to share with you some of the things we are doing in Food Services. As always, residence meals are our main priority, but we also cater for a wide variety of campus groups, and operate The Daily Bread Café and espresso 101 in St John's College.

On the College's web site you will find a copy of the Daily Bread Café's menu. We compliment this menu with a number of daily specials that can also be found on our web site, as well as on our Facebook and Twitter pages.

Our current hours of operation are between 8 am and 4 pm Monday through Friday. However, with summer approaching and the closure of Pembina Hall due to construction, we are planning to open the Daily Bread Café from 8 am until 8 pm seven days a week beginning May 1st. This will allow anyone looking for meals throughout the summer months a place that offers a healthy home-style meal.

Espresso 101 will be open Monday through Friday from 8 am until 4 pm offering high quality pastries, coffee based beverages, as well as pop, juice, and snack foods like muffins, cookies and croissants.

We will be offering declining balance food and beverage cards that can be used in both the Daily Bread Café and espresso 101.

As some already know, it has been our goal to provide our community with fresh, fair trade organically grown coffee. We have been serving Kicking Horse coffee, and although we have been happy with their product, it's not available locally, and we are required to have it shipped to us from B.C. Our desire is to source as much of our product locally as possible, which increases our ability to have items that are as fresh as possible, and cuts down on the environmentally unfriendly effects of shipping.

Recently we were introduced to GreenBean coffee imports, Manitoba's 1st and only 100% fair trade organic certified coffee roaster. They not only meet our goals to provide fairly traded and organic coffee they also reduce the shipping and storage concerns. GreenBean Coffee Imports uses a reusable tote system for their freshly roasted coffee, and this eliminates packaging material going into landfills.

GreenBean roasts their beans by region and seasonal availability. Coffee has over 800 flavor characteristics depending on where and how it is grown. As these coffees come into season, GreenBean will introduce us to these coffees with all their unique a wonderful taste profiles.

All this doesn't matter unless GreenBean coffee tastes great, and we think it does! We invite you to give us your feedback.

St John's Food Services continue to be a good neighbor, offering fresh, healthy meals, snacks and beverages, a full meal plan, comfortable surroundings, great service, and extended summer hours. We also offer affordable, convenient, and delicious catering services!

**12. College Library**    In 2009, there were highlights in the areas of staffing, physical space and collections.

**A. Staffing**

In August, Richard Ellis retired after 30 years of employment with the University of Manitoba. Richard became the Head of St John's College Library in January 2001. In September, Lyle Ford agreed to act as the Head, seconded from the Elizabeth Dafoe Library, until the position could be filled permanently. The secondment was extended in December to March 2010.

**B. Physical Space**

In 2009, four book shelves were removed and replaced with study tables and chairs. Once the U. of M.'s Information Service and Technology Department finishes upgrading the network in the building, the UM Libraries will add two more computers for public use. The upgrade will also enable wireless networking in the library. The UM Libraries arranged for and funded Physical Plant to repair and paint the wall once covered by the shelves. Currently, a tender is in place to paint most of the remaining walls.

**C. Collections**

All of the College's library material that had been in storage was transferred to the UM Libraries' Storage Annex in 2009. The Annex, completed in late 2008, stores materials that are in low demand. It allows the Libraries to continue building their collections while preserving materials that are not currently in heavy use.

**13. Financial Overview** The audited financial statements for the year 2008-2009 showed a deficit of \$44,800, which consisted of the following breakdown:

Theology (\$34,237)

Other Operations (\$10,563)

Theology's deficit was due in large part to a significant drop in investment revenue realized from the Hobson Fund, an endowment held by the Diocese of which the College is the beneficiary. Revenue from the Diploma Program was also lower than in previous years. The deficit in Other Operations was largely due to a new Food Service initiative the College started at the Freshwater Institute, a government building on the Fort Garry Campus. They were without an operator for their cafeteria, and St John's agreed to provide service for them on a one year, renewable contract. This required an initial outlay of funds to purchase additional equipment needed to provide that service. These expenses all occurred in the first quarter of 2009. As 2009, and our contract with the Freshwater Institute, came to an end, the College determined it was not in our best interest to renew. Indications and assurances given to us regarding customer base, as well as expectations turned out not to be accurate, and it was no longer a good fit with St John's and our high level of quality service.

**14. Development**

It was a year of new beginnings for the Development Office at St John's College. In August, a new staff member came on board, development staff roles redefined, farewells were said and office spaces were reconfigured. And, with the donor wall unveiling in September of 2009, the Capital Campaign was officially over.

Jackie Markstrom, Development Officer, has provided details for this annual report. The total funds raised for the year are \$177,822.79. This breaks down as follows:

Academic Fund	\$1,350.00
Bursaries/Scholarships	\$51,860.54

\* Not included above is \$34,391.53 received and administered by the University of Manitoba Development and Advancement Office for the Robert B. Schultz Lecture Theatre.

**a) Staffing**

In August 2009 Jackie Markstrom took over the role of Development Officer. Maureen Kolodie, who had been the Development Officer for close to 2 years, returned to her previously held position of Assistant to the Development Officer. Jarett Myskiw, who had been the Assistant to the Development Officer whilst Maureen was Development Officer, left at the end of August to continue his studies here at the University of Manitoba. Tom Suffield worked on database input in the office for approximately 3 months during the early part of 2009. The contributions of Jarett and Tom were invaluable to the success of the Development Office. Maureen Kolodie deserves a special "thank you" for ensuring the smooth running and continuation of programmes in the office while in the Development Officer position. I would also like to personally thank Maureen for going above and beyond both during the transition period in August and since.

**b) Scholarship Award:**

A new award has been established with the sum of \$400.00 to be awarded annually. The terms are still being developed and, once completed, will be sent to the Scholarship Committee for their approval.

**c) In Lumine Newsletter**

The Newsletter was mailed out at the end of Summer 2009. Packed with information on the happenings of the College, *In Lumine* continues to be an important connection to our Alumni.

**d) Bequests**

The College was fortunate to receive two bequests this past year. The first was the remainder of an estate previously partially paid out, and was directed to a scholarship. The second was undesignated and has been placed in the General Endowment Fund which is used for operating.

**e) Development Committee.**

The one and only meeting of the Development Committee for 2009 was held on 5<sup>th</sup> November. The focus of the meeting was on the role and future planning of the Development Committee.

Members of the Committee are:

Louise Carson '70, Chair, John Deacon '63, Janet Hoskins, Fellow Len Kuffert, Bill Regehr, Heather Richardson '76, Bernie Beare '57, Fellow Gerry Friesen, Jim Ripley and Fellow Anthony Waterman '62.

**f) Donor Wall Unveiling**

On the 24<sup>th</sup> September, over 100 people gathered to see the Donor Wall and Wall of Bricks unveiled. Marcus Steeds '03 gave a very moving speech about the huge positive impact donors had on his experience here at St John's College. The President of the University, Dr. David Barnard, shared with attendees the importance of the College to the University of Manitoba. With the official portion of the ceremony over with, everyone enjoyed renewing acquaintances and the light refreshments provided by the Daily Bread Catering.

John Deacon '63, declares the Donor Wall officially unveiled

**g) Stewardship**

In early December a quick trip to Toronto was made by Jackie Markstrom and Warden, Janet Hoskins. The main focus of the trip was a potential significant bequest - although whilst in Toronto, we managed to visit two other alumni. Over the past year, several personal visits were made by Janet Hoskins, Maureen Kolodie and Jackie Markstrom to many of the donors who have contributed to St John's College.

Thank you to all our donors - individuals, corporate and foundations – who have helped to make St John's the smaller, caring and kinder community it is.

A special “thank you” to the staff of St John's College who have helped us in our endeavours over the past year. And thanks also go to our volunteers Ivan Danilou, Tomotaka Kano, Victoria Markstrom and Debora Rubin for their fine work.
