**WHAT IS A WORKSHOP?**

During the Covid-19 pandemic, to help you get the most help possible from our workshops and groups and to help you feel connected and part of a community (with your fellow students and our counsellors), we require all students who participate in our workshops and groups to have their video turned on. Those students who turn off their video will be removed from the virtual room.

Our workshops are free and available only to University of Manitoba students. Contact us at (204) 474-8592 for further details and to register.

**THURSDAY COMMUNICATION AND CONFLICT: SKILLS TO BUILD POSITIVE RELATIONSHIPS AND IMPROVE YOUR INTERACTIONS WITH OTHERS (10:00 AM - 12:00 NOON)**

Topics covered: Stress from life and school can and often does create stress in relationships we have with others. This workshop will focus on research derived strategies for maintaining and enhancing your relationships that are practical and effective. For example, come and find out what research has shown can predict the stability and satisfaction of your relationships with over 90% accuracy.

What you’ll learn: In this workshop you’ll learn specific strategies and skills to communicate and address conflict in a way that may be easier for others to hear without compromising the integrity of your message.

You’ll also learn about conflict styles, nonverbal communication, and gain skills to address behaviours that get in the way of connecting and communicating with others, including the four behaviours that have been empirically shown to be most damaging to communicating and building positive relationships.

Thursdays 2020 Virtual: (Sep 10), (Oct 1), (Nov 5), (Dec 3)

**THURSDAY IT’S OVER BUT IT’S NOT: UNDERSTANDING AND MANAGING THE ONGOING IMPACT OF TRAUMA: (2:30 - 4:30 PART I & II)**

What is trauma? It can include physical assault or sexual assault, physical or sexual abuse, experiencing a crime (e.g. mugging), bullying, experiencing a natural disaster, experiencing war, traffic accidents, sudden loss of someone, being through violence or suicide, or experiencing a life-threatening illness if you have experienced a traumatic event that is continuing to affect you, consider attending this workshop to:

- Learn about and understand what happens in our bodies and brain when we experience trauma.
- This includes how your brain made the decision how to survive, not you
- Learn quick and effective strategies to calm and ground ourselves to manage triggers and anxiety
- This workshop is focused on learning and skill-building: increase your control over your body and reactions

No personal sharing about your specific experience happens in this workshop.
FRIDAY

ENNEAGRAM: UNDERSTANDING YOUR PERSONALITY AND ENHANCING YOUR LIFE (1:30 - 3:30 PM)
Who this group is for: Any students who want to learn more about their personality and learn tools to cope more effectively mentally, emotionally or physically.
